How and when can I make a campsite reservation?

Campgrounds requiring reservations are usually full from around April through September. You should make a reservation as early as possible or arrive early in the morning to secure a first-come, first-served site in one of the non-reserveable campgrounds outside Yosemite Valley.

To make a reservation: phone 877/444-6777 or visit www.recreation.gov
For TDD phone 877/833-6777
Outside the US & Canada phone 518/885-3639

Additional information

- **Showers** are only available at Half Dome Village (formerly Curry Village) year round, Housekeeping Camp in the summer, and at Tuolumne Meadows Lodge during limited afternoon hours in the summer. **Laundry** facilities are available at Housekeeping Camp in Yosemite Valley year round (\$).
- **Dump stations** are available at Upper Pines (year round), near Wawona (summer) and Tuolumne Meadows (summer). There are **no hook-ups** in any Yosemite campgrounds.
- **Flush toilets** are only available in campgrounds that have tap water; all others have vault toilets.
- **Group campsites** are available by advanced reservation only at Wawona (year round) and during the summer only at Hodgdon Meadow, Bridalveil Creek, and Tuolumne Meadows.

Regulations

- You must store **food and scented items** in provided food storage lockers 24 hours per day. Lockers measure 45"wide, 18"tall and 33"deep. No food storage is allowed in vehicles. Help us keep bears wild.
- **Camping or sleeping in vehicles** is permitted only in designated campsites.
- There is a **maximum of 6 people** (including children) and **2 vehicles per campsite**.
- The **camping limit** in Yosemite in a calendar year is 30 days; however, May 1 thru Sept. 15, the limit in Yosemite is 14 days, and only 7 of those days can be in Yosemite Valley or Wawona.
- **Check-out time** for all campsites is at noon.
- **Pets** must be on a leash and can not be left unattended and tied to an object.
- **Firewood** may not be collected in Yosemite Valley; in campgrounds outside of the Valley only dead and downed wood may be collected for fires. Campfires are permitted year round. However, May 1 thru Oct. 15 fires are only permitted between 5 p.m. to 10 p.m. in Yosemite Valley.
- **Generators** may be used 7am-9am, 12pm-2pm, and 5pm-7pm. **Electrical extension cords** may not be connected to restroom outlets.
- Camp **wastewater** must be disposed of in designated utility drains.
- **Sewage** must be disposed of at designated dump stations (Yosemite Valley, Wawona, and Tuolumne Meadows).
- **Quiet hours** are from 10 p.m. to 6 a.m.
