Seasonal Highlights

Keep this Guide with you to get the most out of your trip to Yosemite National Park

Explore Like A Junior Ranger!

Go wild as Yosemite's newest Junior Ranger and explore and learn about your park, and how you can help protect it today and in the future. You can become a Yosemite Junior Ranger by purchasing a self-guided booklet in any Yosemite Conservancy Bookstore. In order to take the Junior Ranger oath and earn your patch and badge, the booklet must be completed, a bag of trash collected, and a guided program attended. *Guided programs are listed on pages 6, 7, 9, and 10.* Be ready to share your Junior Ranger adventure stories with your family and friends! See the Just for Kids section on page 12 for more information.

Adventure Out with Yosemite Mountaineering School

Yosemite Mountaineering School provides outdoor adventures for people of all experience levels. We are here to help you learn how to enjoy Yosemite safely and responsibly. Give us a call to join one of our group classes or schedule a custom outing designed specifically for your group. We offer professional guides for hiking, backpacking and rock climbing. Reservations required. Call (209)372-8344 or email yms@aramark.com

Stroll with a Ranger

Learn about the wonders of the park on a ranger-guided stroll. Programs are offered daily throughout the park on a variety of topics including waterfalls, trees, bears, geology, and more. (See pages 6, 7, 9, and 10 for details.)

Take a Photography Class

Learn how to best capture the landscape of Yosemite by joining a photography expert from The Ansel Adams Gallery. Several classes are offered each week. Some have fees, some are free. Learn more and sign up at the Ansel Adams Gallery in Yosemite Village. Shuttle stops #5 and #9. (See pages 5 and 6.)

Pacific Dogwood blooms in Yosemite Valley. NPS Photo

Get outside and enjoy your park!

Summer offers spectacular views of waterfalls, great hiking, and other endless opportunities for recreation. Find the adventures that will make lasting Yosemite memories for years to come.

Go to the Theater

After a day filled with exploring, relax and enjoy a show at the Yosemite Theater. Yosemite Theater presents a variety of performances, including plays based on some of the park's most colorful characters, inspiring films, and celebrations of Yosemite's culture and history. (See page 6 for show descriptions and schedules.)

Yosemite Conservancy Art Programs

Yosemite Conservancy invites you to participate in one of our fun plein air art sessions held Monday through Saturday

from 10am to 2pm in Yosemite Valley. Workshops begin at the Happy Isles Art and Nature Center near shuttle stop #16. Come by and browse our selection of art supplies, gifts, and original art. Open daily from 9am to 4pm. See page 6 for details.

Get Outdoors with Yosemite Conservancy

Are you looking for a memorable way to explore Yosemite, tailored to your interests and ability? Our expert guides will enhance your understanding of the park as you walk among Yosemite's famous cliffs, trees and waterfalls. Whether you'd rather explore the park's flora and fauna

during a gentle saunter along the river or learn about Yosemite's geology while taking an exhilarating and vigorous hike, we'll help you create the perfect outdoor experience. Contact us to plan a Custom Adventure for your family or group. Visit yosemiteconservancy.org/adventures or (209)379-2317 x10 to find your adventure today. See page 6 for details.

Yosemite Conservation Heritage Center

The Sierra Club's Yosemite Conservation Heritage Center (formerly LeConte Memorial Lodge) is open Wednesday through Sunday from 10am until 4pm. Free evening programs are scheduled for Friday and Saturday evenings at 8pm. Seating is available for 50 guests. The Center, located at shuttle stop #12, has a natural history library, a children's corner and library, and historical exhibits. Call (209)372-4542 for program details.

Volunteer Drop-In Program

Want to give back to the park? Consider donating some of your time with the Volunteer Drop-In Program! The Volunteer Drop-In Program is a family-friendly activity where you can take an active role in protecting and preserving our natural resources. Whether it's your first time to the park or you are a returning visitor, come create new memories while removing invasive species, collecting native seeds, and picking up litter. The Drop-In Program will meet every Friday, starting June 1 at 9:30am in front of the Yosemite Valley Visitor Center. Projects will last 1 to 3 hours and volunteers must wear long pants and closed-toe shoes. Sun protection, water, and snacks are recommended. Youth under eighteen must be accompanied by parent or guardian. Questions? Email yose_volunteers@nps.gov, or call (209)379-1850.

Access for People with Disabilities

Accessible parking, lodging, tours, and activities are available throughout the park.

For a complete list of accessible services, recreational opportunities, and exhibits, pick up an updated Yosemite Accessibility Guide which is available at park entrance stations, visitor centers, and online at www.nps.gov/yose/planyourvisit/accessibility.htm, or call a park Accessibility Coordinator at (209)379-1035 for more information.

Sign Language interpreting is available upon request. Contact Deaf Services at (209)379-5250 (v/txt). Two weeks advance notice is requested.

Assistive Listening Devices are available upon advance request, inquire at a visitor center.

Audio tours are available for the Yosemite Valley Visitor Center. Refer to the Accessibility Guide, or contact an Accessibility Coordinator for more information.

Accessible parking spaces are available just west of the Yosemite Valley Visitor Center. To reach these, enter the Valley on Southside Drive. Turn left on Sentinel Drive. Turn left on Northside Drive, and follow the blue and white signs.

Yosemite Travel Tips

The busy summer months have arrived! If you haven't already, you're likely to experience congestion, especially in Yosemite Valley. Be prepared for two- to three-hour delays, especially in afternoons and on weekends. Plan accordingly and use restrooms when available.

If you're visiting Yosemite Valley for the day, look for parking in three major parking lots: Yosemite Falls Parking Lot, Yosemite Village Parking Lot, and at Half Dome Village Parking (formerly Curry Village). Free shuttle service to destinations throughout Yosemite Valley is available from each of these parking lots. If you have lodging or campground reservations, please park at your lodge or campsite.

Once you find a place to park, please leave your car parked. Using the free shuttles will help you avoid congestion and trouble finding another place to park. Parking fills to capacity throughout Yosemite by mid-morning. Don't forget where you parked your car, as there are multiple parking areas throughout the Valley. Driving or parking on vegetation is prohibited.

Do not use or block the "Bus and Authorized Vehicles" lane while driving in Yosemite Valley. The bus lane ensures emergency vehicles can respond to incidents when traffic is backed up and provides preference for mass transit.

Yosemite Valley

1 Yosemite Valley, open year-round, is world-famous for its impressive waterfalls, cliffs, and unusual rock formations. Get there via Highway 41/Wawona Road from Fresno, Highway 140/El Portal Road from Merced, Highway 120 west/Big Oak Flat Road from Manteca, and (during summer) via the Tioga Road/Highway 120 east from Lee Vining. Yosemite Valley is home to massive cliff faces like El Capitan and Half Dome, plunging waterfalls including the tallest in North America, and attractive meadows. While Yosemite Falls slows to a trickle by August, a moderate hike will bring you to impressive Vernal and Nevada Falls. Walk to Mirror Lake, where you will see reflections of Half Dome. Gaze up at El Capitan, a massive granite monolith that stands 3,593 feet from base to summit. Whether you explore the valley by foot, bike, car, or tour, you will behold scenery that will leave you breathless and eager to see what's around the next corner.

Glacier Point

2 Glacier Point, an overlook with a commanding view of Yosemite Valley, Half Dome, and Yosemite's high country, is located 30 miles (a one-hour drive) from Yosemite Valley or Wawona. To get there from either of these places, take the Wawona Road (Highway 41), to Chinquapin, then turn onto Glacier Point Road. At Glacier Point, a short, paved, and wheelchair-accessible trail takes you to an exhilarating—some might say unnerving—view 3,214 feet down to Yosemite Valley below.

The Mariposa Grove. Photo by Christine Loberg

Wawona and Mariposa Grove

3 The Mariposa Grove of Giant Sequoias is located 36 miles (1 ¼ hours) south of Yosemite Valley via the Wawona Road (Highway 41), two miles from the park's South Entrance. *As of July 6, 2015, the Mariposa Grove of Giant Sequoias is closed for restoration, see page 8 for details.* The nearby Pioneer Yosemite History Center in Wawona is a collection of historic buildings associated with people and events that shaped the national park idea in Yosemite. Enjoy a horse-drawn stage ride, watch blacksmiths at work, or hike one of the scenic trails. For more information, visit the Wawona Visitor Center at Hill's Studio, adjacent to the Big Trees Lodge. This was once a painting studio for the 19th-century artist Thomas Hill.

Tenaya Lake. Photo by Kenny Karst

Tioga Road and Tuolumne Grove

4 Tioga Road offers a 39-mile scenic drive past forests, meadows, lakes, and granite domes. It is usually open from late May or early June through sometime in November. The road's elevation ranges from 6,200 feet to nearly 10,000 feet. The White Wolf area, midway across the park, is the starting point for day hikes to Lukens Lake and Harden Lake. To see giant sequoias, park at the Tuolumne Grove parking area on the Tioga Road, and walk one steep mile down to the grove. Or park at Merced Grove trailhead on Big Oak Flat Road and walk 1.5 steep miles down to the grove. These groves are smaller than the more-famous Mariposa Grove, but are quieter and off-limits to vehicles. Remember, walking down is easier than walking back up. *Tioga Road may not be open in May and June due to snow and ice.*

Tuolumne River at Tuolumne Meadows. Photo by Ryan Alonzo

Tuolumne Meadows

5 Tuolumne Meadows provides a glimpse of the High Sierra. The Wild and Scenic Tuolumne River winds through broad sub-alpine meadows surrounded by even higher granite domes and peaks. It is the jumping off place for countless hikes, whether you venture out for a day or a week. Stop at the Tuolumne Meadows Visitor Center for information about hiking to Cathedral Lakes, Elizabeth Lake, Dog Lake, Lembert Dome, or along the Tuolumne River through Lyell Canyon. Take advantage of the Tuolumne Meadows Hikers' Bus from Yosemite Valley. *Tioga Road may not be open in May and June due to snow and ice.*

Hetch Hetchy

6 Hetch Hetchy Reservoir, a source of drinking water and hydroelectric power for the City of San Francisco, is home to spectacular scenery and the starting point for many wilderness trails. The area's low elevation makes it a good place to hike in autumn and winter. The Hetch Hetchy Reservoir is located 40 miles (1½ hour) from Yosemite Valley via the Big Oak Flat Road (Highway 120W) and the Evergreen Road. The Hetch Hetchy Road is open from 7am to 9pm, May 1 through Labor Day. Wilderness permits and bear canisters are available at the entrance station from 7am to 5pm. Vehicles and/or trailers over 25 feet long, and RVs and other vehicles over 8 feet wide are not permitted on the narrow, winding Hetch Hetchy Road.

Spectacular vistas and the heart of the park

Yosemite Valley

An unlimited array of possibilities await you in Yosemite Valley. Let your senses run wild as you learn about the scenery that surrounds you. See pages 5, 6, and 7 for more information on program topics and visitor services available.

NATURALIST PROGRAMS

Naturalists give walks and talks about Yosemite's natural and cultural history, every day. See pages 6 and 7 for scheduled walks, talks, and evening programs.

WALKING AND HIKING

From easy walks to Lower Yosemite Fall, Cook's Meadow, and Mirror Lake to strenuous hikes to the top of Yosemite Falls or Nevada Fall, Yosemite Valley has a wide range of walking and hiking possibilities. See page 17 for a list of hikes.

TOURS

Tours listed below depart from Yosemite Valley Lodge and are weather dependent.

The **Valley Floor Tour** is a 26-mile, two-hour open-air tram tour narrated by a park ranger. The tour departs Yosemite Valley Lodge several times daily, weather permitting. Check any Tour and Activity Desk for times. Be sure to ask about Moonlight Tours and Starry Skies at Glacier Point Tours, as well!

The **Glacier Point Tour** leaves Yosemite Valley Lodge at 8:30am, 10am, and 1:30pm daily when the Glacier Point Road is open. One-way tickets are available for those who want to hike down from Glacier Point.

Call (209)372-1240 to make reservations or inquire at the tour desks at Yosemite Valley Lodge, Yosemite Village, and Half Dome Village.

RAFTING

Rafting is a great way to see Yosemite Valley. Rafts can be rented at Half Dome Village beginning May 19, from 10am to 4pm, conditions permitting. If you plan to bring your own raft, please see page 15 for safety and regulatory information.

Bridalveil Fall. Photo by Christine Loberg.

The Incomparable Yosemite Valley

Yosemite Valley embraces one of the world's most outstanding concentrations of waterfalls, granite walls, meadows, wildflowers, and trees. The Valley also harbors a rich collection of human stories, from American Indian lore to the birth of the national park movement.

BICYCLING

Experience Yosemite Valley on a bicycle. There are several miles of bicycle paths that wind through Yosemite Valley. You can use your own bicycle or rent one from Yosemite Valley Lodge or Half Dome Village, open 8am to 7pm, *weather permitting*. Bicycles are only allowed on paved roads and paved bicycle paths.

SIGHTSEEING

Some famous, awe-inspiring landmarks that Yosemite Valley is known for include:

- **Yosemite Falls** gives the Valley an extra touch of life when it's flowing with spring runoff. You can walk to its base or take the strenuous trail to its top (see page 17).

Half Dome, Yosemite's most distinctive monument, dominates most views in Yosemite Valley. Forces of uplift, erosion from rivers and glaciers, and rockfall all shaped this famous feature into what we see today. Cook's Meadow, Sentinel Bridge, Tunnel View, and Glacier

Point, are just a few locations that will grant you some stunning views of Half Dome.

- **El Capitan**, a massive granite monolith, stands 3,593 feet from base to summit. From spring to fall, climbers come from all over the globe to scale El Capitan.
- **Happy Isles** is a place to see dramatic natural processes at work. It is easily reached by shuttle at stop #16. Cross the footbridges onto the isles, wander through indoor and outdoor exhibits detailing Yosemite's geologic story, or connect with nature through daily art workshops and activities.
- **Tunnel View**, along Wawona Road (Hwy 41) showcases the immensity of the granite walls that surround Yosemite Valley, providing a classic view of El Capitan, Half Dome, Sentinel Rock, Cathedral Rocks, and Bridalveil Fall. It is spectacular at sunset or after the clearing of a storm.

Hours listed are core hours for facilities and may be extended during periods of peak visitation. Check local postings for changes to hours of operation.

Open daily, 9am to 5pm, *may close for lunch*. The store offers traditional American Indian arts, crafts, jewelry, and books.

Wilderness Center

Open daily from 8am to 5pm. Visit the wilderness center to learn about wilderness safety, plan trips, obtain

wilderness permits and maps, and rent bear canisters. The Valley Wilderness Center is located in Yosemite Village in between the post office and the Ansel Adams Gallery.

HAPPY ISLES ART AND NATURE CENTER

Open 9am to 4pm. Designed for nature-exploring children and their families, the nature center offers natural-history exhibits and a bookstore. Located a short walk from shuttle stop #16.

YOSEMITE CONSERVATION HERITAGE CENTER

Open Wednesday through Sunday from 10am to 4pm, with free evening programs Friday and Saturday at 8pm. The center has a library, a children's corner, and a new climate change exhibit. The center is located at shuttle stop #12.

The Ansel Adams Gallery

In Yosemite Village next to the Valley Visitor Center, the gallery is open daily from 9am to 6pm. The gallery offers the works of Ansel Adams, contemporary photographers, and other artists. See page 6 for photo walk times. For more information, call (209)372-4413, or visit www.anseladams.com.

EXHIBIT:

Alan Ross: The Language of Light
April 8, 2018 - May 19, 2018

Yosemite and Alan Ross have a storied history. Mr. Ross has been photographing this hallowed valley since he first came to work for Ansel Adams in 1974. Many adventures followed — the camera in tow as he developed his language of light.

"For me, a photograph is very much a kind of language. It can be as practical and unadorned as an entry in an encyclopedia. It can be a chapter in a novel, or it can be haiku. And for those of us to whom words do not come easily, a photograph is a language that allows us to express who we are and how we respond to the world around us. I have used this "language of light" for more than 40 years," Alan said.

The Ansel Adams Gallery has hosted a series of exhibitions that have showcased Mr. Ross' unique vision over the years, and we are excited to continue this tradition.

NEW EXHIBIT:

Penny Otwell: Seeing Is Believing
May 20, 2018 - July 7, 2018

There is immensity to Yosemite that relates to both time and place — it pervades us here; it makes us feel humble. But there is also a romantic courtship that seems so genuine that, in spite of our diminutive status within these walls, we do not wish to leave their company. This dichotomy tugs and pulls at you, generating an internal rhythm as undulating as the folds of granite above you, as reliable as the coming of spring, and as consistent as the rolling current of the Merced River at your feet.

Where too many words could never say enough, visual artists have navigated this rhythm through light and paint, framing a fraction of the park which accentuates and tames the vitality of our experiences that are all at once unique and shared. And perhaps no artist has spent more time and energy within this mode in recent memory than Penny Otwell.

Penny has said of her time as an artist in Yosemite that "being a painter is like being a scientist: the facts are in front of you, the arrangements are endless, conditions, premises, and conclusions all determine each painting. Asking "what if?" is my way of experimentation in making art. Motivated by the rhythm and design observed in granite forms and geological changes, my painting style is uniquely my own."

New work by Ms. Otwell will be on display at The Ansel Adams Gallery as part of her exhibition, "Seeing is Believing" between May 20 and July 7, 2018. The gallery will also be hosting a reception for the artist on June 13 from 3pm to 5pm. We hope you have the opportunity to come by and share in the experience.

Yosemite Conservancy Outdoor Adventures (YC)

Experience the park in a new way with Yosemite Conservancy's naturalist guides! Enjoy guided hikes and backpacking trips, learn traditional basket-weaving techniques, or hone photography skills with an expert. Upcoming outings include:

May 29-May 30	<i>Photographing the Moonbow: Double Your Chances</i>
June 9-10	<i>World Famous Waterfalls and Hidden Gems</i>
June 15-June 17	<i>Yosemite Miwok-Paiute Basketry</i>
June 21-June 24	<i>Backpack to Half Dome: Two-Night Summit Challenge</i>
June 27	<i>Dine and Discover: Full Moon Hike to Taft Point</i>
June 29-July 1	<i>Casual Backpack: Sunset Hike to Ostrander Lake</i>

To learn more and sign up, visit yosemiteconservancy.org/adventures or call (209)379-2317x10. Custom Adventures can be arranged for individuals and groups. This spring, we're also offering naturalist walks every Monday, Wednesday and Friday (\$10/person, no pre-registration required, see pages 6 and 7 for details). Proceeds from all our programs help preserve and protect Yosemite.

Yosemite Theater (YC)

Yosemite Conservancy's theater program offers entertainment and inspiration through live performances, educational presentations and beautiful films. All shows start at 7pm at the Yosemite Theater, located at the Yosemite Valley Visitor Center, shuttle bus stops #5 & #9. Get your tickets (\$10 per person, free tickets for children under age 12) at Yosemite Conservancy Bookstores, Tour & Activity Desks (see page 5 for locations), or at the theater before show time.

Yosemite Search and Rescue (Tuesdays). Hear stories about emergency response missions in the park from Yosemite's expert Search and Rescue rangers.

John Muir Series: Conversation with a Tramp (Wednesdays). Meet John Muir in the early 1900s, as he receives news on the fate of Hetch Hetchy Valley. Live performance by Lee Stetson.

John Muir Series: John Muir is Back! (Thursdays). As modern-day environmental woes threaten his beloved planet, Muir urges us to become better stewards of the natural world. Live performance by Lee Stetson.

Growing Up in Yosemite: The Spirited Life of Florence Hutchings (Fridays). Travel back to the 19th century to see what life was like for a spirited girl growing up in Yosemite Valley. Live performance by Audrey Davis.

Return to Balance: A Climber's Journey (Saturdays). Join rock-climber Ron Kauk for a film and conversation celebrating Yosemite's vertical world.

Yosemite Conservancy Art Programs (YC)

Join Yosemite Conservancy for a range of activities at our art program's new home: Happy Isles Art and Nature Center. Learn from a professional artist, drop in for a kids' activity, browse supplies and original artwork, and more. The center is open daily, 9am to 4pm. Upcoming programs include:

May 14-May 19	<i>Beginner Watercolor with Rita Randolph</i>
May 21-May 26	<i>Beginner Watercolor with Rita Randolph</i>
May 28-June 2	<i>Drawing with Charcoal with Jeff Hemming</i>
June 1-June 3	<i>Intermediate Plein Air Watercolor with Sonja Hamilton</i>
June 4-June 9	<i>Drawing with Graphite with Jeff Hemming</i>
June 11-June 16	<i>Painting and Printmaking with Sue Fierston</i>
June 18-June 23	<i>Painting and Printmaking with Sue Fierston</i>

Daily art classes for ages 12 and up are taught by volunteer instructors Monday-Saturday, 10am-2pm (\$20 per person, per class, materials and supplies not included in registration price). Classes are recommended for ages 12 and up, and are typically held outside. Bringing younger kids? One-hour instructed classes for children ages 2 to 12 will be held Monday through Thursday, starting June 11 (\$10 per person, \$30 per family, materials included). This year, we're also offering multiday art adventure programs that combine camping, hiking and creativity. To learn more and register for any of our art programs, visit yosemiteconservancy.org/art, contact us at (209)372-0631 or artcenter@yosemiteconservancy.org, or visit us at Happy Isles!

Wawona, Mariposa Grove, and Glacier Point

Explore History, Discover Giant Trees, and Find Amazing Vistas

These park areas offer endless opportunities for amazing experiences.

Wawona

JUNIOR RANGER PROGRAM

Join a ranger near the south end of the Wawona Covered Bridge for an hour of nature exploration. See page 9 for schedule. Especially for ages 7 to 12.

EVENING PROGRAMS

Join pianist/singer Tom Bopp in the Big Trees Lodge lobby from 5:30pm to 9:30pm, Tuesday through Saturday, as he performs songs and stories from Yosemite's past. Once or twice a week, he will present an hour-long interpretive program on the vintage songs of Yosemite or the history of Wawona with slide or music accompaniment. Check with Tom at the piano for dates and times.

WAWONA VISITOR CENTER AT HILL'S STUDIO

The Yosemite Conservancy Bookstore (only) will be open daily from 8:30am to 5pm, *may close for lunch*. Beginning May 24, Hill's Studio will be open daily from 8:30am to 5pm. The visitor center offers information about park activities, books, wilderness permits, trail information, bear canister rentals, and maps. Until May 24, wilderness permits for Wawona trailheads can be obtained by self-registration on the front porch, bear canisters can be rented inside the bookstore. Located on the grounds of the Big Trees Lodge, Hill's Studio was the gallery and art studio of famous 19th-century landscape painter, Thomas Hill. Walk from the lodge or park at the Big Trees Lodge Store parking area and follow the path up the hill.

Pioneer Yosemite History Center

Go back to a time of horse-drawn wagons, a covered bridge, and log cabins. A visit to the Pioneer Yosemite History Center explores Yosemite's history and explains how Yosemite was the inspiration for national parks across America and around the world. The center is always open, and interpretive signs and brochures are available.

EXPERIENCE HORSE-DRAWN TRAVEL

Travel into history by taking a 10-minute horse-drawn stage ride. Tickets may be purchased at the Stage Office in the Pioneer Yosemite History Center. See page 9 for dates, times, and locations. Five dollars for adults and \$4 for children ages 3 to 12-years old.

BLACKSMITH SHOP

Smell the burning coal, hear the ring of the hammer on the anvil, and watch a demonstration of the ancient art of blacksmithing. See page 9 for dates, times, and locations.

Mariposa Grove

Located near Yosemite's South Entrance, the Mariposa Grove is the park's largest stand of giant sequoias, with about 500 trees in the grove.

GREAT THINGS ARE HAPPENING IN THE MARIPOSA GROVE!

The Restoration of the Mariposa Grove of Giant Sequoias Project is now underway! On July 6, 2015, a temporary closure of the grove began with hopes

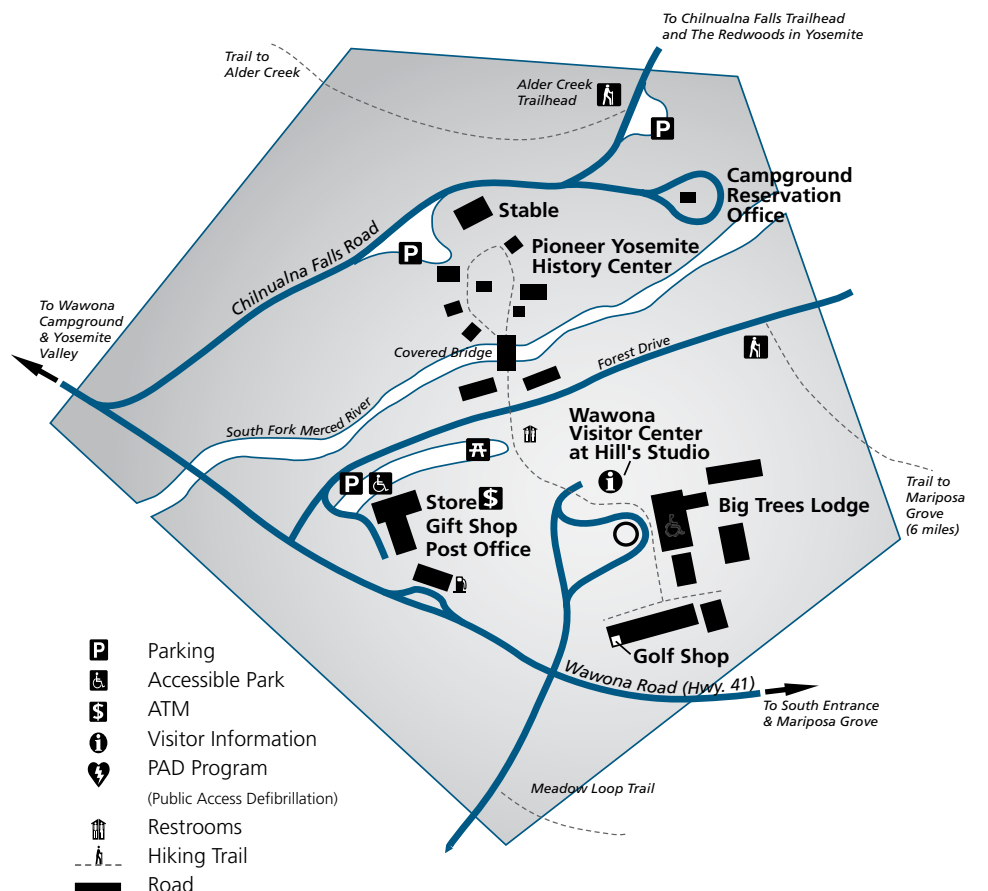

to re-open in June 2018. The restoration project will improve the habitat and restore the hydrology of the Mariposa Grove and improve visitors' experience and enjoyment of the grove. Trails will be improved providing universal access along with improved restrooms.

The Mariposa Grove Road is closed to all public access, including bicycle and pedestrian traffic. Hiking trails within the grove are also closed.

Glacier Point

EVENING PROGRAMS

Meet a ranger to enjoy the lengthening shadows in Yosemite Valley and the alpenglow (or moonrise) on the Sierra high country. Stargazing programs, ranger walks, and sunset talks are all offered for your enjoyment at this stunning location. See next page for times and for more information.

Services and things to do

Tuolumne River. NPS Photo

Within Tuolumne Meadows, one of the largest high-elevation meadows in the Sierra Nevada, the Tuolumne River meanders quietly through its meadow channel and is surrounded by a backdrop of rugged mountain peaks and glacially carved domes.

Tuolumne Meadows

**Tuolumne Meadows services, programs, and trailheads may not be available before June, check local postings for opening dates.*

When the Tioga Road is open, the drive through Tuolumne Meadows at 8,600 feet above sea level (2,621 meters), provides a glimpse into the High Sierra. The Wild and Scenic Tuolumne River winds through broad sub-alpine meadows surrounded by even higher granite domes and peaks. This is the jumping off place for countless hikes, whether you venture out for a day or a week. Stop at the Tuolumne Meadows Visitor Center for information and trail conditions if you are considering hiking to Cathedral Lakes, Elizabeth Lake, Dog Lake, Lembert Dome, or along the Tuolumne River through Lyell Canyon. Stay on trails to protect this unique and fragile place. Check local postings for Ranger Programs in the area!

Wilderness Center

The wilderness center is scheduled to open soon after the Tioga Road. Please check the website for hours of operation. Visit the wilderness center to learn about wilderness safety, plan trips, obtain wilderness permits and maps, and rent bear canisters. The Tuolumne Meadows

Wilderness Center is located just south of Tioga Road, along the road to Tuolumne Meadows Lodge, across from shuttle stop #3.

Big Oak Flat

Big Oak Flat Information Station

The Yosemite Conservancy Bookstore (only) will be open daily from 9am to 5pm, may close for lunch. Beginning May 24, the Information Station will be open daily from 8am to 5pm. The information station offers information about park activities, books, wilderness permits, trail information, bear canister rentals, and maps. Until May 24, wilderness permits for the Big Oak Flat Road and Tioga Road trailheads can be obtained by self-registration on the front porch and bear canisters can be rented inside the bookstore. The center is located just inside the park entrance on Hwy 120W.

Tuolumne Grove

The trailhead for the Tuolumne Grove, which consists of approximately 25 sequoias is near the intersection of the Big Oak Flat and Tioga roads at Crane Flat. The former route of the Big Oak Flat Road leads downhill from the parking area into the grove. The trail drops 500 feet (150 meters) in one mile. The way down can

seem much easier than the uphill return. The trip is moderately strenuous on the uphill portion. Within the Tuolumne Grove there is an easy, half-mile nature trail. There is no potable water available. Be sure to bring drinking water with you.

Merced Grove

Yosemite's quietest stand of sequoias is the Merced Grove, a group of about 20 big trees accessible only on foot. It's a three-mile round-trip hike (about 3 hours) into the grove. The trail drops down 1.5 miles making this a moderately strenuous hike on the uphill portion. There is no potable water at the parking area or down in the grove. Bring drinking water with you. The grove is located 3.5 miles north of Crane Flat and 4.5 miles south of the Big Oak Flat Entrance along the Big Oak Flat Road (Highway 120 West). The trail is marked by a sign and a post labeled B-10.

Tuolumne Meadows programs, services, and trails may not be available before June due to snow and icy conditions.

Just For Kids

Experience the Adventures of a Junior Ranger

Here Is How YOU Can Become A Junior Ranger!

Every year, hundreds of thousands of youth are sworn in as Junior Rangers in National Parks across the country! At Yosemite alone more than 20,000 youth participate in the Yosemite Junior Ranger Program, earning themselves an official Junior Ranger patch and badge! You could become Yosemite's newest Junior Ranger today by completing the following steps:

- Purchase your **Junior Ranger Hand Book** at any of the Yosemite Conservancy Bookstores located in the Visitor Centers, or at the Village Store
- Complete the pages in your Junior Ranger Booklet
- Attend a Guided Program.
- Return your completed book to the staff at a Visitor Center, or the Happy Isles Art and Nature Center, or attend a Junior Ranger Swear-in Ceremony.
- Take your official Junior Ranger Pledge.
- Earn your official Junior Ranger Badge along with a Junior Ranger Patch or a Little Cub Button.

JUST FOR FUN - Explore, Learn and Protect!

1. Who am I?

a.) I am a small mammal who is often mistaken for a Chipmunk, but unlike the Chipmunk, the two stripes on my back only go up to my neck, not to my head. Who am I?

b.) My excellent sense of smell might lead me right to your cooler, your car or your tent which is why it is important to store all your food properly! I also have excellent vision and can recognize a grocery bag or food containers! Who am I?

c.) I am a four legged mammal who can be found in the high country. Some people think I have antlers but I actually have horns! Who am I?

Bears and Wildlife

Enjoying wildlife safely and responsibly

Black bear "logging in." Photo by Karen Amstutz

Keep Wildlife Wild!

Black bears, coyote, deer, and grey squirrels are just a few of the many animal species in the park that are active year round. Learn how to help protect Yosemite's wildlife.

Store Your Food Properly.

4,000 to 20,000 calories worth of grasses, berries, acorns, and grubs—that's the typical daily diet of most bears. It's a lot easier for a bear to eat the thousands of calories of food in an ice chest than it is to spend all day nibbling at grasses. Their incredible sense of smell allows them to detect things we can't, which helps them find food—a black bear can smell a dead deer three miles away. To top it off, bears have excellent vision and can see in color, so they recognize ice chests, grocery bags, and other food containers as potential food sources.

If you see a bear, scare it away or keep your distance.

You may not see a bear during your visit because they naturally avoid people. However, if you see one in a developed area (like a campground or parking lot), act immediately to scare it away: Make noise and yell as loud as possible. If there is more than one person, stand together to present a more intimidating figure, but do not surround the bear.

If you see a bear anywhere else, consider yourself lucky—but keep your distance (at least 50 yards, or about the distance made by four shuttle buses parked end to end). If you get too close, you will be helping the bear become used to being around people.

Bears that become comfortable around humans lose their natural fear of us and may become too aggressive. When that happens, they sometimes have to be killed.

Drive the speed limit.

The most common human-related cause of death for a black bear in Yosemite is being hit by a car. Slow down! Driving too fast is almost always the cause of these accidental deaths.

Red Bear, Dead Bear

Did you notice the red bear markers as you drove through the park? Each of them mark a place where a bear was recently hit. Every year bears, hundreds of deer, and countless other animals are killed while trying to cross park roads. Many of these deaths could have been avoided if drivers observed posted speed limits.

Please remember that Yosemite National Park is a wildlife preserve: by driving the speed limit you are helping to protect the park and its wildlife.

Backpackers:

Save Your Food, Save A Bear

Bear resistant food canisters are 2.7-pound containers that can be used to store five or more days of backpacker food when meals are carefully planned. Canisters have an inset lid that bears are unable to

open. When used correctly, bears learn that—although they smell like food—the canisters are not worth investigating.

Report Bear Sightings!

To report bear sightings, improper food storage, trash problems, and other bear-related problems, leave a message for the Bear Management Team at (209)372-0322. Your call can be made anonymously. For more information regarding bears and proper food storage, visit the park's website (www.nps.gov/yose/bears).

Coyotes

Watching a coyote hunting for mice in one of Yosemite's many meadows can be an amazing wildlife experience. Coyotes are opportunistic carnivores that primarily prey on small mammals. Like bears, their diets change throughout the year with food availability.

Unfortunately, coyotes sometimes change their natural behavior to try to obtain human food. Approaching, and/or feeding coyotes can cause them to lose their natural fear of humans. Please do not stop to feed coyotes that you see along the sides of the roads. This encourages them to frequent roadsides to beg for food, endangering both coyotes and drivers.

MOUNTAIN LIONS

Mountain lions are a normal and important part of the park ecosystem. They are attracted to areas with healthy deer and raccoon populations, which include many areas of the park. Although lion attacks on humans are extremely rare, they are possible, just as is injury from any wild animal.

For your safety:

Do not leave pets or pet food outside and unattended. Pets can attract mountain lions.

Avoid hiking alone. Watch children closely and never let them run ahead or lag behind on the trail. Teach children what to do if they see a lion.

What should you do if you meet a mountain lion?

Never approach one, especially if it is with kittens. Most lions will avoid confrontation. Always give them a way to escape.

Don't run. Stay calm. Hold your ground, or back away slowly. Face the lion and stand upright. Do all you can to appear larger. Raise your arms. If you have small children with you, pick them up.

If the lion behaves aggressively, wave your arms, shout, and throw objects at it. The goal is to convince it that you may be dangerous. If attacked, fight back!

Mountain lions are magnificent creatures and native to Yosemite. Generally, they are calm, quiet, and elusive. Sightings are rare, so if you spot one, consider yourself privileged!

How to Store Food

"Food" includes any item with a scent, regardless of packaging. This may include items that you do not consider food, such as canned goods, bottles, drinks, soap, cosmetics, toiletries, trash, ice chests (even when empty), and unwashed items used for preparing or eating meals.

LOCATION	FOOD STORAGE	WHY?
Your Vehicle	You may store food in your car (with windows closed) only during daylight hours. Do not store food in your car after dark: use a food locker. Remember to clear your car of food wrappers, baby wipes, and crumbs in baby seats. Never leave unattended food strapped to the outside of a vehicle or in a pickup truck bed.	Bears can smell food, even if it's sealed in the trunk or glove compartment, and they recognize boxes and bags as potential food sources. They can easily and quickly break into all kinds of vehicles!
Your Campsite or Tent Cabin	You must store all your food in food lockers—not in your tent or tent cabin. A food locker is available at each campsite and tent cabin. Food may be stored out of sight in hard-sided RVs with windows closed.	Bears may enter campsites when people are present, and some will even check food lockers to see if they're secured. Keep food lockers closed and latched at all times, even when you are in your campsite or tent cabin.
Picnic Areas & on the Trails	Do not leave food unattended. Always keep food within arm's reach. Don't turn your back to your food.	Bears may investigate picnic areas or backpacks for food even when people are present, so be alert.
Backpacking in the Wilderness	Bear resistant food containers are required throughout the Yosemite Wilderness. Hanging food is prohibited in Yosemite.	In Yosemite and the southern Sierra, bear canisters are the only effective and proven method of preventing bears from getting human food.

KEEP WILDLIFE WILD

Respect animals at a distance
Never feed or approach them

Protect Yourself...

Keep yourself safe while exploring your park.

There are many ways to experience the wildness of Yosemite. While the forces of nature can create unexpected hazardous conditions, with a little common sense and some pre-planning, you can minimize the risks associated with many activities.

ENJOYING YOSEMITE IN LATE SPRING

Late spring is a vibrant season in Yosemite. Every detail of nature seems to be reaching its peak. Streams and waterfalls are at peak flow, refreshing life throughout the Park. This is a great time to visit Yosemite and create wonderful, safe and healthy memories.

WEATHER

While there is ample snow still on the ground in the higher elevations—it is unlikely to fall from the sky this time of year. Hotter and drier weather is more likely at all elevations. Prevent dehydration by drinking water throughout the day and frequently eating salty, easy-to-digest snacks. Thunderstorm season is here. Remember, when you can hear thunder there is no safe place to be outside. Follow the saying, “when thunder roars, go indoors.” If you cannot reach a building or car (with a hard top), hike down and away from ridges and outcroppings. Do not be the tallest object or near a tall object.

RIVERS AND STREAM

Yosemite’s streams are a huge temptation for the curious, the photographer, and the overheated and weary hiker simply wanting to cool tired feet. Do not be fooled! Yosemite’s water is deceptively dangerous and unforgiving. Visitors are strongly urged to enjoy moving or falling water from a safe distance. Please: DO NOT LEAVE THE TRAIL.

BOATING / FLOATING

Before boating or floating, please check the Park’s website at <https://www.nps.gov/yose> for allowable locations and conditions. We strongly urge you to wear a Coast Guard approved Personal Flotation Device (PFD) when on the water. Mishaps occur so suddenly that you will not have time to put on your PFD. Lastly, make sure your watercraft is suitable for water conditions.

YOSEMITE'S TRAILS

Yosemite’s 800 miles of trails wind through natural areas and endure all the forces of nature including flooding, fire, and slides. High country trails can still be under snow and exposed trails may be damaged due to erosion or fire. Always carry a good topo map and compass (GPS optional) and be prepared to turn around if conditions are beyond your comfort zone.

YOSEMITE'S ROADS

What does your home town and Yosemite National Park have in common? Answer: the traffic can be just as dangerous here plus we have other hazards such as rock fall and abundant wildlife, including deer and bears. Moreover, there are many sites to distract drivers. If you cannot devote 100 percent of your attention to your driving, please pull completely off the road into designated pull-offs and parking areas. Also, Buckle up! Park rangers enforce California’s Motor Vehicle Code on park roads.

FOR ALL SEASONS

- Stay on established trails or in developed areas – do not take trail shortcuts or approach the water. Almost all of Yosemite’s non-traffic related serious injuries occur off trail.
- Rock scrambling – leave this to the critters.
- Water and food – Carry more water than you need; stay hydrated and snack frequently – make sure you have plenty of food and water. If you are sweating, replace lost salts with salty, easy-to-digest snacks.
- “10 hiking essentials” – including a flashlight or headlamp, sunglasses, sunscreen, navigation, and a signaling method (mirror and whistle).
- Let someone know – always leave your travel and hiking plan, including your intended route and estimated time of return, with a trusted person. If no one knows you are missing, no one is going to be looking for you.

And remember this truism: **you** are responsible for **your** safety.

HANTAVIRUS INFORMATION

Mice are an important part of the ecosystem, but can carry diseases harmful to humans. Hantavirus Pulmonary Syndrome (HPS) is a rare but serious disease spread to humans via the droppings, urine, or saliva of infected rodents. Not all rodents are infected with hantavirus, but infected rodents have been found throughout the US. You may come into close proximity to rodents during your visit, so it is important you take steps to protect yourself from HPS. HPS risk is greater inside of buildings or other enclosures where deer mice are present. If staying in guest lodging, please tell the housekeeping staff if you see evidence of mice in your accommodations. Do not clean up the area yourself. Keep

doors to guest lodging shut and do not bring food into your cabin that is not in a sealed container. If you are camping and backpacking, do not pitch tents near rodent burrows or droppings. HPS often begins with flu-like symptoms such as aches, fever, and chills one to seven weeks after exposure, progressing to cough and difficulty in breathing. Seek medical attention immediately if you experience these symptoms and mention any potential rodent exposures to your physician. For more information on hantavirus and other environmental safety hazards visit: <http://www.nps.gov/yose/planyourvisit/yoursafety.htm>

PLAGUE

Plague is an infectious bacterial disease that is carried by squirrels, chipmunks and other wild rodents and their fleas. When an infected rodent becomes sick and dies, its fleas can carry the infection to other warm-blooded animals including humans.

To protect yourself from plague, never feed wildlife, avoid dropping food scraps that attract rodents when eating outside, avoid pitching a tent near or disturbing rodent burrows, wear insect repellent with DEET, and tell a park ranger immediately if you see a dead animal.

Early symptoms of plague may include high fever, chills, nausea, weakness, painful swelling at the site of an insect bite or lymph node, and other flu-like symptoms. If you develop any of these symptoms within 6 days of visiting an area at risk for plague in the park, see your doctor and inform them you may have been exposed. Plague is treatable with antibiotics if given in time.

AVOID CONTACT WITH WILDLIFE AND KEEP FOOD AND TRASH STORED PROPERLY.

Wild animals in Yosemite can transmit numerous diseases, including plague, rabies, and hantavirus. Keeping your distance and your food from wildlife not only protects them, it also protects you from injury and exposure to diseases. If you encounter a mammal, particularly a raccoon, skunk, fox, coyote, or bat, that is behaving erratically, don’t touch the animal. Instead, report the sick animal to a park employee. In addition to keeping bears away, storing your food properly also reduces your exposure to rodents and their fleas, which may carry plague.

...and Yosemite's Wild Places

Protecting park resources

Protecting Yourself and the Park

Prepare yourself for a wild experience. Yosemite is a place where natural forces—such as rockfall, fire, and flood—are constantly at work. Here, wildlife freely roams. This is a place where wilderness prevails. The National Park Service recognizes the importance of Yosemite's Wilderness and natural processes and is bound by its mission to protect them for the benefit and enjoyment of future generations. While you are enjoying your visit, be attentive to the special permit requirements and regulations in place to protect park resources and those designed for your safety.

Wilderness Permit Details

Wilderness permits are required for all overnight trips into the Yosemite Wilderness. For summer trips, reservations are taken from 24 weeks to two days in advance of the start of your trip. A processing fee of \$5 per permit plus \$5 per person is charged to each confirmed reservation. Go to www.nps.gov/yose/planyourvisit/wildpermits to check trailhead availability and for more information on how to make a reservation. Reservations can be made by fax, phone or mail. To make a reservation by phone, call (209)372-0740, Monday through Friday from 8:30am to 4:30pm. Starting May 25, the phones will be answered Monday through Friday from 9am to 5pm and Saturday from 9am to 4pm. For more information, visit www.nps.gov/yose/planyourvisit/backpacking.htm, the Leave No Trace website at www.lnt.org, or the Friends of Yosemite Search and Rescue website at www.friendofyosar.org

Permit Required to Hike Half Dome

Permits to hike to the top of Half Dome are required seven days a week when the cables are up for 2018, May 25 through October 9, conditions permitting. A daily total of 225 preseason lottery permits have already been issued for 2018. In addition, approximately 50 permits will be released by daily lottery throughout the season based on estimated under-use and cancellation rates (exact number may change throughout the summer). Applications for daily lotteries will be accepted 2 days prior to the desired hiking date between midnight and 1pm. To apply, visit Recreation.gov or call (877)444-6777. A non-refundable application fee applies to all submissions and a use fee applies to winning applicants. Finally, a daily quota of 75 Half Dome permits will be available to overnight users with an appropriate wilderness permit (use fee applies). These permits may be acquired through early reservations (50 per day) or day before walk-up (25 per day). Rock climbers who reach the top of Half Dome

without entering the subdome area may descend on the Half Dome Trail without a permit. More information is available at: <http://www.nps.gov/yose/planyourvisit/hdpermits.htm>. For backpackers more information is available at: <http://www.nps.gov/yose/planyourvisit/hdwildpermits.htm>

Rafting

Conditions permitting, rafting on the Merced River in Yosemite Valley (Clark's Bridge to Sentinel Beach) and the South Fork of the Merced River in Wawona is open from 10am to 6pm daily to non-motorized vessels or flotation devices.

- The entire length of the Merced River in Yosemite Valley is closed to all flotation devices when the river gauge at Sentinel Bridge reads 6.5 feet or higher. Ask at a visitor center for conditions and obey all posted signs.
- You must have a U.S. Coast Guard-approved personal flotation device.
- Fallen trees and other natural debris in the river create important habitat for fish and other wildlife. Be alert—they can also create hazards for rafters.

Fishing

Fishing in Yosemite is regulated by state law. A valid California sport-fishing license is required for those persons age 16 years and older. When fishing, the license must be plainly visible by attaching it to an outer layer of clothing above the waistline.

- Trout season runs through November 15 (except Frog Creek near Lake Eleanor, which opens June 15).
- Special fishing regulations apply on the Merced River in Yosemite Valley from Happy Isles downstream to the Foresta Bridge in El Portal. Within these reaches of the river, it is catch-and-release only for rainbow trout. Brown trout limits are five fish per day. Only artificial lures or flies with barbless hooks may be used.
- The use of live or dead minnows, bait fish or amphibians, non-preserved fish eggs or roe is prohibited.

Pets

Daytime temperatures can reach above 100 ° Fahrenheit in the summer. Keep your pet cool and well-hydrated. In Yosemite, pet owners have a few rules to follow:

- Pets are only allowed in developed areas and on paved roads and paved bike paths. Pets are not allowed anywhere in the Mariposa or Merced sequoia groves, on trails, in wilderness areas, or where signs are posted prohibiting them.
- Pets must be on a leash (6 feet or less) or otherwise physically restrained.
- Please clean up and deposit pet feces in trash receptacles.
- Pets are not allowed in lodging facilities, Camp 4, or other buildings in the park.
- Pets may not be left unattended.

Bicycling

Each season, plants are crushed from bicycle travel in meadows, campgrounds, and picnic areas. Please respect park resources and keep bicycles on paved roads and paved bicycle trails. Bikes are not allowed to travel off paved trails. Mountain biking opportunities are available in designated areas outside of Yosemite.

Backwoods Bathroom Etiquette

Help us keep our water clean! Human waste must be buried at least 6 inches deep, and at least 100 feet away from any source of water. Toilet paper must be packed out.

Trail Etiquette

Trails are built to help you find your way into (and out of) the Wilderness, but they're also carefully designed to minimize impact on the landscape and prevent erosion. Please stay on the trail to help protect your park.

Tuolumne Water

Did you know that water from Tuolumne Meadows provides drinking water to over 2.6 million people, and irrigation water to thousands of acres? Help keep this water clean but using established restrooms and staying on trails.

YOSEMITE GUARDIANS

Visitors to Yosemite National Park are the park's most important guardians. With over 5 million people watching over its special plants, animals, historic, and archeological sites, imagine how well-protected these park resources could be!

During your visit to Yosemite be aware that there are people who either unknowingly or intentionally harm park resources. Please contact a park official if you see any of the following illegal acts:

- Feeding or approaching wildlife
- Collecting plants
- Hunting animals
- Collecting reptiles and butterflies
- Picking up archeological items, such as arrowheads
- Using metal detectors
- Driving vehicles into meadows
- Biking off of paved roads
- Camping outside of designated campgrounds
- Possession of weapons inside federal facilities
- Possessing or using marijuana, including medical marijuana
- Operating an unmanned aircraft system ("drone")

If you see activities that could harm people or park resources, jot down any descriptions or a vehicle license plate number and call the park dispatch office at 209/379-1992.

FOR MORE INFORMATION

To find out more about Yosemite National Park regulations visit www.nps.gov/yose/planyourvisit/yoursafety.htm and find a copy of the Superintendent's Compendium. This document is a compilation of designations, closures, permit requirements, and other restrictions made by the superintendent, in addition to what is contained in Title 36 of the Code of Federal Regulations (Chapter 1, Parts 1 through 7 and 34), and other applicable federal statutes and regulations.

Camping

Camping in Yosemite. Photo by Ray Santos

An adventurous overnight experience

Yosemite National Park contains 13 popular campgrounds. Up to seven are on a reservation system, the rest are first-come, first-served. From April through September, reservations are essential and the first-come, first-served sites often fill by noon during these months.

Camping Reservations

Reservations are required March through November for campsites in Yosemite Valley's car campgrounds, and summer through fall for Hodgdon Meadow, Crane Flat, Wawona, and half of Tuolumne Meadows. All other campgrounds (except group and stock campgrounds) are first-come, first-served. Campground reservations are available up to five months in advance, on the 15th of each month at 7am Pacific time. Log onto the website or call as soon as possible as some campgrounds fill within a few minutes of the opening period.

ARRIVAL DATE	FIRST DAY TO MAKE RESERVATIONS (7 AM PT)
Dec. 15 – Jan. 14	Aug. 15
Jan. 15 – Feb. 14	Sept. 15
Feb. 15 – Mar. 14	Oct. 15
Mar. 15 – Apr. 14	Nov. 15
Apr. 15 – May 14	Dec. 15
May 15 – Jun. 14	Jan. 15
Jun. 15 – Jul. 14	Feb. 15
Jul. 15 – Aug. 14	Mar. 15
Aug. 15 – Sep. 14	Apr. 15
Sep. 15 – Oct. 14	May 15
Oct. 15 – Nov. 14	Jun. 15
Nov. 15 – Dec. 14	Jul. 15

For campground reservations, visit www.recreation.gov or call (877)444-6777 or TDD (877)833-6777 from 7am to 9pm, Pacific time, March through October, or from 7am to 7pm, November through February. Call (518)885-3639 if you're dialing from outside the U.S. and Canada.

Campground offices in the park are located in the visitor parking area at Half Dome Village (shuttle bus stop #14), the Tuolumne Meadows Campground entrance, in Wawona off Chilnualna Falls Road, and at the Big Oak Flat Information Station.

Yosemite Valley

There is a 30-day camping limit within Yosemite National Park in a calendar year; however, May 1 to September 15, the camping limit is 14 days, and only seven of those days can be in Yosemite Valley or Wawona.

Camp 4 is a walk-in campground and is open all year on a first-come, first-served basis; these campsites are not wheelchair accessible. Sites are available on a per-person basis, and six people will be placed in each campsite, regardless of number of people in your party. Camp 4 often fills before 9 am each day, May through September.

Camping in Areas Surrounding Yosemite

The U.S. Forest Service operates a variety of campgrounds on a seasonal basis near Yosemite. For additional information, contact Groveland Ranger Station at (209)962-7825; Mariposa Ranger Station at (209)966-3638; Mono Lake Ranger Station at (760)647-3044; or Oakhurst Ranger Station at (559)683-4636. For private campgrounds outside Yosemite, call the respective chamber of commerce or visitor bureau listed on page 10.

Group Campgrounds

There are group campsites at Tuolumne Meadows, Hodgdon Meadow, Wawona, and Bridalveil Creek Campgrounds. Reservations can be made the same way as individual site reservations; 13 to 30 people are allowed in each group campsite. Tent camping only. Pets, RVs, and generators are not permitted in group sites.

GENERAL CAMPING INFORMATION

To check same-day camping availability, call (209)372-0266

Services

- Sites include picnic tables, firepits with grills, and a food locker (33" d x 45" w x 18" h). See page 5 for food storage regulations.
- Toilets available in campgrounds; however, Tamarack Flat, Yosemite Creek, and Porcupine Flat have non-flushing vault toilets only and no potable water.
- Shower and laundry facilities are available year-round in Yosemite Valley.
- RVs over 24 feet in length are not recommended for Tamarack Flat, Yosemite Creek, and Porcupine Flat campgrounds. RVs are not permitted in walk-in and group campsites. There are no hookups in Yosemite campgrounds, but there are sanitary dump stations in Yosemite Valley (all year), and summer-only in Wawona and Tuolumne Meadows.

Regulations

- Proper food storage is required 24 hours a day.
- A maximum of six people (including children) and two vehicles are allowed per campsite.
- Quiet hours are from 10pm to 6am.
- Where permitted, pets must be on a leash and may not be left unattended.

Campfires

- In Yosemite Valley between May 1 and September 30, campfires are permitted between 5 pm and 10 pm. At other times of the year and in out-of-Valley campgrounds, fires are permitted at any time, as long as they are attended.
- Firewood collection (including pine cones and pine needles) is not permitted in Yosemite Valley; you may purchase firewood at stores near the campgrounds.

FEATURED HIKE

Mirror Lake Loop

Distance: 5 miles / 8 kilometers

Elevation Gain: 200 feet

Difficulty: Moderate

Time: 2 to 3 hours

Trailhead: Mirror Lake (shuttle stop # 17)

Trail Description:

This trail begins at shuttle stop #17. The first mile of this trail is a paved service road that leads directly to Mirror Lake. You may access the loop trail from the end of the paved path. The loop follows Tenaya Creek beyond the lake, and crosses two bridges after the Snow Creek Trail junction before returning past Mirror Lake on the south side of Tenaya Canyon.

Mirror Lake is often referred to as Mirror Meadow in late summer due to the lack of water and the influx of grasses and sandy areas, however, this hike allows for exhilarating views of Half Dome and Mt. Watkins. Exhibits along the trail tell the story of Mirror Lake's lake-to-meadow succession, and also highlight some of the cultural history of the area.

Know Before You Go:

- Swimming is not permitted in the Hetch Hetchy reservoir or in Emerald Pool above Vernal Fall.
- Stay away from swiftly-moving water. Keep children from wandering on or near these hazards. Choose swimming areas carefully and swim only during low water conditions.
- Always supervise children closely.
- Avoid areas of whitewater, where streams flow over rocky obstructions.
- Never swim or wade upstream from a waterfall, even if the water appears shallow and calm. Each year, unsuspecting visitors are swept over waterfalls to their deaths when swimming in these areas.

Yosemite Deaf Services:

The First Deaf Services Program in a National Park

by Kara Stella

NPS sign language interpreter, Kara Stella, interprets for a park guide. NPS Photo

On a sweltering summer day in 2017, two bright-eyed children proudly took the Junior Ranger pledge at the Yosemite Valley Visitor Center desk. Their hands animatedly waving as they spoke, these two siblings answered each question with enthusiasm. They were masters at the process, having completed Junior Ranger project books at a long list of parks their family had visited through the years. Nonetheless, this particular experience was unforgettable for the family and the ranger - so much so that months later, their parents emailed the ranger to marvel that the kids were still talking about that day and musing if they should grow up to be rangers. Before then they had never participated in their native language, American Sign Language (ASL); and they had never met a signing ranger.

Yosemite holds the honor of being the first park in the national park system to establish a Deaf Services Program, which began in 1979. Although the Rehabilitation Act of 1973 established the legal requirement of equal access to programs in the parks, most parks weren't providing services in those days. In 1978, Deaf visitor Dale Dahl attended a park program with his partner, Maureen Fitzgerald. Fitzgerald, a professional interpreter, volunteered her services that day. Luckily, the ranger leading the program happened to be the Chief of Interpretation, Len McKenzie. Although McKenzie acted

out bird behavior for Dahl, it was obvious Fitzgerald's interpretation was invaluable. Shortly thereafter, a letter from Dahl and Fitzgerald arrived on McKenzie's desk with an offer to assist in creating a Deaf Services program for the park. Fitzgerald was offered a Volunteer in Park position that summer. She brought in Mary Ellen Lentz, Deaf community member and avid camper and skier, to advise the park.

Since then, a series of skilled rangers have served as ASL interpreters. Years of summer services, partnerships with the Deaf community and active Deaf outreach has built a cadre of passionate Deaf supporters of Yosemite. In 2016, Yosemite became the first park to create a permanent and year-round ASL interpreter position, the Deaf Services Coordinator (DSC).

Behind the scenes, the DSC provides accessibility training to park staff, creates videos in ASL on the Deaf Services webpage and maintains equipment, such as the park's public videophone and collection of Assistive Listening Devices, available by request. But the interactions with Deaf and hard of hearing visitors are the heart of the program. Offerings include trip planning by videophone, email and in person at the visitor centers, and interpretation of any park program at no cost to the visitor. These seemingly simple services make a world of difference for a Deaf visitor. A recent Deaf visitor commented, "We met the Deaf Services ranger at the visitor center and went on a tram tour with her interpreting. Everything was easy. For the first time, we understand the story of the park!"

In 2008, the Deaf Services Program was honored to receive the National Park Service Accessibility Achievement Award, given to an individuals or group that exemplifies the concept of universal accessibility in the park system. Yosemite National Park is proud to offer access to Deaf and hard of hearing visitors. Please spread the word about this unique service, and share with us your own experience!

Yosemite Volunteers: Serving Yosemite

Over 12,407 volunteers donated more than 174,885 hours of service to Yosemite last year, restoring native habitat, working in visitor centers, serving as camp hosts, studying wildlife, cleaning up litter and more. Would you like to serve? We have group and individual volunteer opportunities, both short term and long term. Learn more at: www.nps.gov/yose/getinvolved/volunteer.htm or call the volunteer office at (209)379- 1850.

Yosemite Zero Landfill Initiative

Help make Yosemite the first Zero Landfill park in the country. Through the Zero Landfill Initiative, Yosemite is reducing the amount of trash sent to the landfill every year. In partnership with Yosemite Hospitality, we are making it easier to participate by adding more recycling containers with better labels.

Here are 3 things you can do to help:

1. Toss excess packaging before leaving home by repacking food in reuseable containers.
2. Use a refillable water bottle/travel mug. Camping? Use refillable propane canisters.
3. Put trash/recycling in correct bins.

Yosemite Name Changes

The names of the following facilities in Yosemite have changed:

- Half Dome Village (formerly Curry Village)
- Yosemite Valley Lodge (formerly Yosemite Lodge)
- The Majestic Yosemite Hotel (formerly The Ahwahnee)
- Big Trees Lodge (formerly Wawona Hotel)
- Yosemite Ski & Snowboard Area (formerly Badger Pass Ski Area)
- Yosemite Conservation Heritage Center (formerly LeConte Memorial Lodge)
