Badger Pass

Badger Pass, California's oldest operating ski area, is the center of Yosemite ski and snowboarding activity during the winter. It is located at 7,200 feet in elevation and is a 1-hour drive from Yosemite Valley on the Glacier Point Road. There are 9 runs, 5 ski lifts, downhill and cross-country ski schools, ski rentals, and a day lodge. Cross-country skiers will find groomed and ungroomed trails that originate at Badger Pass; tracks are groomed on the Glacier Point Road all the way to Glacier Point. Wilderness permits available at the Badger Pass A-frame. Call 209/372-1000 for ski conditions.

Sequoia Groves in Winter

Mariposa Grove

The Mariposa Grove of Giant Sequoias, located at the southern-most end of Yosemite, is the largest stand of giant sequoias in the park (about 500 trees). Allow 1¼ hours driving time from Yosemite Valley. Cars are prohibited beyond the parking area; however, many giant sequoias can be seen from there. From the parking area, all trails in the Mariposa Grove of Giant Sequoias are uphill. The trailhead is located at the far end of the parking area. Interpretive signs between the trailhead and the Grizzly Giant provide a self-guiding tour. Written translations of these signs are available at the trailhead (German, French, Spanish, Japanese).

In winter, the access road to the Grove is closed due to snow. Once the access road is closed, add an extra hour or two for the 2-mile walk from the South Entrance of the park to the Grove.

Merced Grove

Yosemite's quietest stand of sequoias is the Merced Grove, accessible only on foot. It's a 2-mile hike or ski into the grove from the Big Oak Flat Road (Highway 120 West). Located 3.5 miles north of Crane Flat or 4.5 miles south of the Big Oak Flat Entrance Station, the trailhead is marked by a post labeled B-10 and a road sign. Allow about 3 hours for the 4-mile round-trip hike or ski to this small group of sequoias (about 20 trees).

Tuolumne Grove

The Tuolumne Grove of Giant Sequoias is near Crane Flat at the intersection of the Big Oak Flat Road and the Tioga Road. The former route of the old Big Oak Flat Road leads downhill from Crane Flat into the Tuolumne Grove, a cluster of about 25 sequoias. Now closed to cars, this 2-mile round-trip walk or ski is relatively easy, depending on conditions; however, it is moderately strenuous on the uphill return.
