

Zion National Park

AN INVESTMENT IN THE FUTURE...

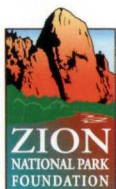

Zion National Park's
Youth Education Initiative

Outdoor experiences shape how children view and interact with nature as adults. The future of our national parks depends on today's children forging a connection with the natural world. You can make a difference by supporting Zion's new Youth Education Initiative.

This year the Zion National Park Foundation is raising funds to expand the park's efforts to engage youth and promote positive experiences in the park. Every dollar you donate will be matched by a National Park Service grant. These funds will be used to offset transportation costs for surrounding schools, develop an on-site curriculum-based program for visiting school groups, design resources to support distance learning opportunities, create educational opportunities for children ages five and younger, and enhance and expand our curriculum-based classroom visits in the region.

Your support will touch the lives of thousands of children, which, in turn, will help assure the future of the park you love so dearly. We invite you to make a tax-deductible contribution to the Zion National Park Foundation, the official fundraising partner of Zion National Park. It is as simple as mailing this donation form back to us with a check, or you may donate online by credit card at www.zionpark.org/foundation, or call the toll-free number 800-635-3959 and donate by telephone.

Thank you for including Zion National Park Foundation in your charitable giving this year.
