

A vibrant illustration of a prehistoric landscape. In the foreground, a large brown horse and a smaller brown horse are running. To the left, a grey and white lemur sits on a tree branch, holding a branch with red and blue berries. A green insect is on a leaf nearby. In the middle ground, a herd of brown horses is grazing near a small pond. A grey rhinoceros is visible in the background. The scene is set against a backdrop of green trees and a purple and pink sky. The entire illustration is framed by a teal border with four diamond-shaped icons: a spiral in the top-left, a tree in the top-right, a dinosaur in the bottom-left, and a fossil in the bottom-right.
