

Park Practice Index 1975

This is the 1975 index of all the publications of the Park Practice Program. It has two parts: a subject section and an author index.

The abbreviations are GR for GRIST, TR for TRENDS, and DE for DESIGN. The entries from GRIST are followed by the volume, number, and page where they can be found. The entries from TRENDS are followed by the letters which represent the months of the issues, the year and page numbers. The entries from DESIGN are followed by a code letter and a four digit number indicating the particular section and position in the DESIGN book.
