Cover Design: S. Leeann Krautwurst

The Park Practice Program includes:
Trends, a quarterly publication on topics of general interest in park and recreation management and programming; *Grist*, a quarterly publication on practical solutions to everyday problems in park and recreation operations including energy conservation, cost reduction, safety, maintenance, and designs for small structures; *Design*, a quarterly compendium of plans for park and recreation structures which demonstrate quality design and intelligent use of materials.

The information presented in any of the publications of the Park Practice Program does not reflect an endorsement by the agencies sponsoring the program or by the editors.

About the Index . . .

All articles published in *TRENDS*, *GRIST* and *DESIGN* during the 1984 calendar year are included in this cross-referenced index. The index is divided into two sections. The first section identifies the various subjects that appear in the publications. The second section lists the persons or organizations that have contributed articles, ideas or designs to the program along with the subject areas that these items address.

The following information will help you to use the index.

Subj:	Includes a category and subcategory.
TR:	<i>Trends</i>
GR:	<i>Grist</i>
DE:	<i>Design</i>
Pg:	The specific page on which the topic appeared in either <i>Grist</i> or <i>Trends</i> is indicated. For <i>Design</i> entries, the number refers to the index number for each design.
Contributor:	The person or organization that wrote or contributed the published item.
