A publication of the Park Practice Program

The Park Practice Program is a cooperative effort of the National Park Service and the National Recreation and Park Association.

Roger G. Kennedy, Director
National Park Service

R. Dean Tice, Executive Director
National Recreation and Park Association

EDITORIAL STAFF

U.S. Department of the Interior
National Park Service
Kathleen A. Pleasant, Managing Editor
Ellen Singleton, Editorial Assistant

The Park Practice Program includes: TRENDS, a quarterly publication on topics of general interest in park and recreation management and programming; GRIST, a quarterly publication on practical solutions to everyday problems in park and recreation operations including energy conservation, cost reduction, safety, maintenance and designs for small structures; DESIGN, a quarterly compendium of plans for park and recreation structures which demonstrate quality design and intelligent use of materials.

You can order a one-year subscription to the Park Practice Program publications TRENDS, GRIST, DESIGN for only \$55. A Library Set of the previous two years' publication of TRENDS, GRIST, DESIGN plus attractive binders are available for \$85. Subscription inquiries should be addressed to: National Recreation and Park Association, Suite 300, 2775 So. Quincy St., Arlington, VA 22206, telephone (703) 820-4940.

The information presented in any Park Practice Program publication does not reflect an endorsement by the agencies sponsoring the program or by the editors.

Articles, suggestions, ideas and comments are invited and should be sent to the Park Practice Program, National Park Service, P.O. Box 37127, Washington, DC 20013-7127, telephone (202) 343-7067.

About the Index...

All articles published in TRENDS, GRIST and DESIGN during the 1993 calendar year are included in this cross-referenced index. The index is divided into two sections. The first section identifies the various subjects that appear in the publications. The second section lists the persons or organizations that have contributed articles, ideas or designs to the program along with the subject areas that these items address.

The following information will help you use the index.

Subject:	Includes a category and subcategory.
TR:	TRENDS
GR:	GRIST
DE:	DESIGN
Pg:	The specific page on which the topic appeared in either GRIST or TRENDS is indicated. For DESIGN entries, the number refers to index number for each design.
Contributor:	The person or organization that wrote or contributed the published item.

The Park Practice Program publications TRENDS, GRIST and DESIGN, plus the yearly Index, are printed on recycled paper.
