About the Index...

All articles published in TRENDS, GRIST and DESIGN during the 1988 calendar year are included in this cross-referenced index. The index is divided into two sections. The first section identifies the various subjects that appear in the publications. The second section lists the persons or organizations that have contributed articles, ideas or designs to the program along with the subject areas that these items address.

The following information will help you use the index.

Subject:	Includes a category and subcategory
TR:	TRENDS
GR:	GRIST
DE:	DESIGN
Pg:	The specific page on which the topic appeared in either GRIST or TRENDS is indicated. For DESIGN entries, the number refers to the index number for each design.
Contributor:	The person or organization that wrote or contributed the published item.
