Bird Checklist

Tom Wilson

This checklist is for visitors who take the time to stroll along the rivers edge, over the hills that make the valley, and the flood plains in between. When used with a field guide for identification, this checklist will serve as a valuable tool in keeping track of your sightings. **Note: Names in bold and italicized text are reported or accidental species.**

Use the space at the end for recording any species not listed. We encourage you to contact the park staff at 678-538-1200 with any new sightings.
