A black and white photograph of a wooden wall made of horizontal planks. At the top, there is a row of vertical slats. A sign is attached to the wall on the right side, and a vertical scale with alternating black and white squares is positioned next to it. The bottom right corner shows a corner of the building with shingles.

OFFICERS' QUARTERS
BUILDING A 4

A black and white photograph of an interior room corner. The walls are made of concrete, and a section of the back wall is covered with horizontal wooden planks. A black and white checkered scale bar is placed against the wall. A sign is mounted on the wall, and the floor is made of wooden planks. A newspaper is on the floor to the right.

OFFICERS' QUARTERS
BUILDING A 6

OFFICERS' QUARTERS
BUILDING A 7

A black and white photograph showing a section of a wall with significant damage. The upper portion of the wall is covered in horizontal wooden planks that are heavily weathered, cracked, and peeling. Below this, there is a large, irregularly shaped area of missing material, possibly plaster or concrete, revealing a lighter-colored substrate. A vertical scale bar with alternating black and white segments is positioned to the left of the damaged area. At the bottom of the frame, a small rectangular label is attached to the wall.
