

❖ James Tanner ❖

Age 21 at time of Lincoln's assassination

This Civil War veteran, disabled after losing his legs in battle, was assigned to take notes during the Lincoln assassination investigation.

Look for his picture and "Stop 1" to begin following James's story.

Tip: There are five (5) stops!
Can you find them all?

When you're done, swap this Story Card with a friend to see another perspective of the assassination story. You can keep your card or recycle it by the exit.
