SUPPORT OUR WORK

The Historic Gloria Dei Preservation Corporation preserves, restores, and interprets the Gloria Dei (Old Swedes') Church historic campus, so the buildings, graveyard, archives, and artifacts of Pennsylvania's oldest church are respected, documented, and memorialized.

This map was researched and designed by our all-volunteer board of directors. Please support this project and enable us to continue this great work. Donate online at: **www.preserveoldswedes.org/support**.

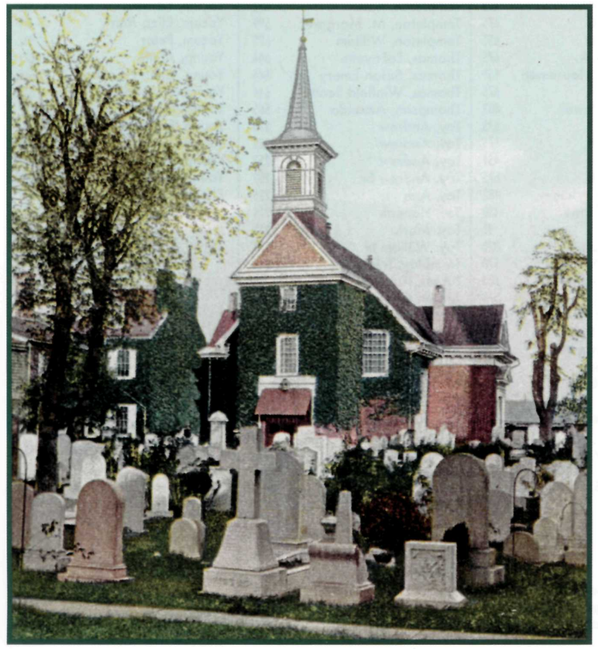
GRAVEYARD MAP AND SELF-GUIDED TOUR



Gloria Dei (Old Swedes') Church is the oldest church in Pennsylvania, and has one of the oldest active graveyards as well. While some 5,000 people are buried there, many of their graves have been lost to time. Fortunately, this map will help you find some graves we do know about.

These people represent hundreds of years of Philadelphia's history. Some actually predate William Penn's founding of the "City of Brotherly Love" in 1682. The first residents were buried around 1677, and the graveyard continues to receive burials even today.

To find a grave, take a look at the alphabetical listing on the back of this map.

This graveyard also contains two memorial gardens. Due to space constraints, the names of those interred in those gardens do not appear on this map. A large plaque hanging inside the church memorializes those buried in the Gloria Dei (Old Swedes') Church memorial garden. Members of St. John the Evangelist can be identified by small plaques next to their graves.

Here are some other points of interest:

A GLORIA DEI CHURCH

Built 1698-1703, the church is open to visitors every Tues. thru Sat., from 9 am to 4 pm, and every Sun. from 9 am to 2 pm. It is closed on national holidays. Inside you will see a number of artifacts including memorials for ministers who were buried underneath the building.

B SACRISTY

Located inside the church, this room contains rotating exhibits about this church and its place in Philadelphia's history.

C RUDMAN HOUSE

Built in the 19th century, this building was the private residence of the pastor. It houses the parish office, church archives and meeting spaces today.

D RIVERSIDE HALL

The parish hall is a hub of regular community activities. The building is typically locked when not in use.

E SEXTON HOUSE

Built in the 18th century, this is the private residence of the Sextons who maintain the church property.

F AMPHITHEATER

Built by the National Park Service in the 1950s, the amphitheater is a great spot to take photographs.
