Summary Overview

Calendar year 2020 was far from normal, and this is reflected in the following pages, numbers, and graphs. A few issues deserve a special note:

COVID-19: Grand Canyon National Park shut down in the early stages of the pandemic at the advice of Government and Health Officials. River trips previously scheduled to launch between March 24th and June 13th were cancelled/rescheduled to exactly two years later, and busy season use after that time was reduced to 75% of normal. No new backcountry permits were issued between March 23rd and late July. In late July backcountry permit requests for September and later once again could be considered.

Bright Angel Limits: Due to an ongoing sewage treatment plant issue, on June 30th the Park decided to restrict all use at Bright Angel Campground and at Phantom Ranch to ½ capacity. This reduction remains in place and is expected to continue through all of calendar year 2021.

Technology Challenges: In February the NPS changed workplace software. Links and existing scripts quit working, and this resulted in a great amount of staffing time needed to learn and adapt to the new platform, find old documents, re-create broken documents, re-organize, and re-program scripts as needed.

Magnum Fire: On June 8th a 71,000 acre fire on the North Kaibab caused temporary closure of the North Rim and continued road closures through mid-November 2020.

Readers will see evidence of all the above within the following pages, numbers, and graphs.

Notes:

- **People*** - Column “People*” reflects total hikers that used a particular area. Since hikers often go to two or more areas, adding this column together will double count many hikers.
- **Permits*** - Column “Permits*” reflects total permits that included a particular area. Since hikers often go to two or more areas, adding this column together will double count many permits.

Significant Closures / Events:

- NJ1 remained closed all year due to aftereffects of the previous year’s “Ikes” fire.
- Marble Canyon East – Backcountry Use was restricted due to Navajo Nation closing access across their lands due to COVID-19.
- South Bass – Backcountry Use was restricted due to Havasupai Tribe closing access across their lands due to COVID-19.
