

New Orleans Jazz National Historical Park

Junior Ranger Program

Welcome!

New Orleans Jazz National Historical Park is one of over 400 national parks in the United States. The park's mission is to preserve and share the origins and history of an original American art form – jazz.

You can learn about New Orleans jazz from this booklet and from visiting the park's website -- www.nps.gov/jazz. Complete all the activities in the following pages and earn the status of a National Park Junior Ranger!

START

The race is on!
Start at Jackson Square and wind your way through the streets of the French Quarter to find the home of the Louis Armstrong statue and Congo Square.

FINISH

Find 5 Trumpets

Jazz musicians found work in restaurants, dance halls and on the steamboats. Study the picture below and find the five hidden trumpets.

Who Played What?

Read about a famous New Orleans jazz musician and draw a line to the instrument they played.

Sydney Bechet

I was nine years old when I first played a *clarinet*.

Louis Armstrong

Most folks call me Satchmo. I started out playing a tin horn, but became famous playing a *cornet* (trumpet).

Sweet Emma Barrett

I played jazz *piano* in a time when women jazz musicians were rare.

Kid Ory

I was raised upriver in plantation country, but came to the big city to learn more about my 'tailgating' *trombone*.

"Professor"

Jelly Roll Morton

I was born in New Orleans, and folks call me professor because I'm a great *piano* man.
