2016

National Park Service
CENTENNIAL

**MONTEZUMA CASTLE
NATIONAL MONUMENT**

PRESIDENT IDENTIFIED UNDER

Theodore Roosevelt

ELEVATION RANGE

3,159–3,617 Feet

AVERAGE RAINFALL

13 Inches

FUN FACTS #1-b

The cliff dwelling is five stories tall, built of small limestone blocks, and roofed with logs, poles, sticks, and grass intertwined with mud. Doorways were built less than five feet high and in a T-shape to keep heat in and the draft out.
