Fact Sheet Index

November 1996

In July 1996, the Natural Resource Information Division began to distribute its series of fact sheets. The sheets provide information about various activities and programs of the National Park Service. This index is in alphabetical order by fact sheet title and is revised each time a new fact sheet is distributed. In the future, the index will also appear by subject and by program or activity.

Copies of fact sheets may be obtained from Dr. Richard W. Gregory, Chief, Natural Resource Information Division, 1201 Oak Ridge Drive, Suite 350, Fort Collins, CO 80525; e-mail: rich_gregory@nps.gov. He welcomes suggestions about fact sheets.

The fact sheets will soon be available as worldwide web pages (<http://www.aqd.nps.gov>) with graphics or text only. Staff who wish to contribute a fact sheet to the series should obtain a copy of *Instructions for Contributors*.
