

RECREATION

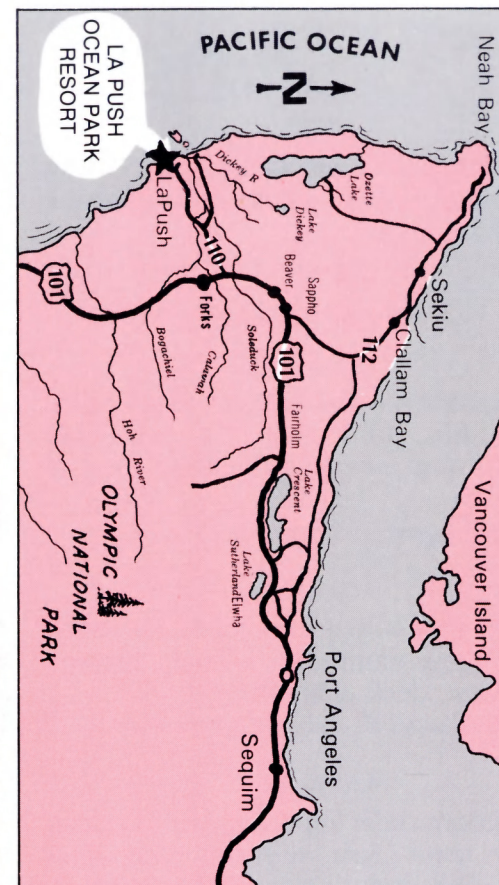

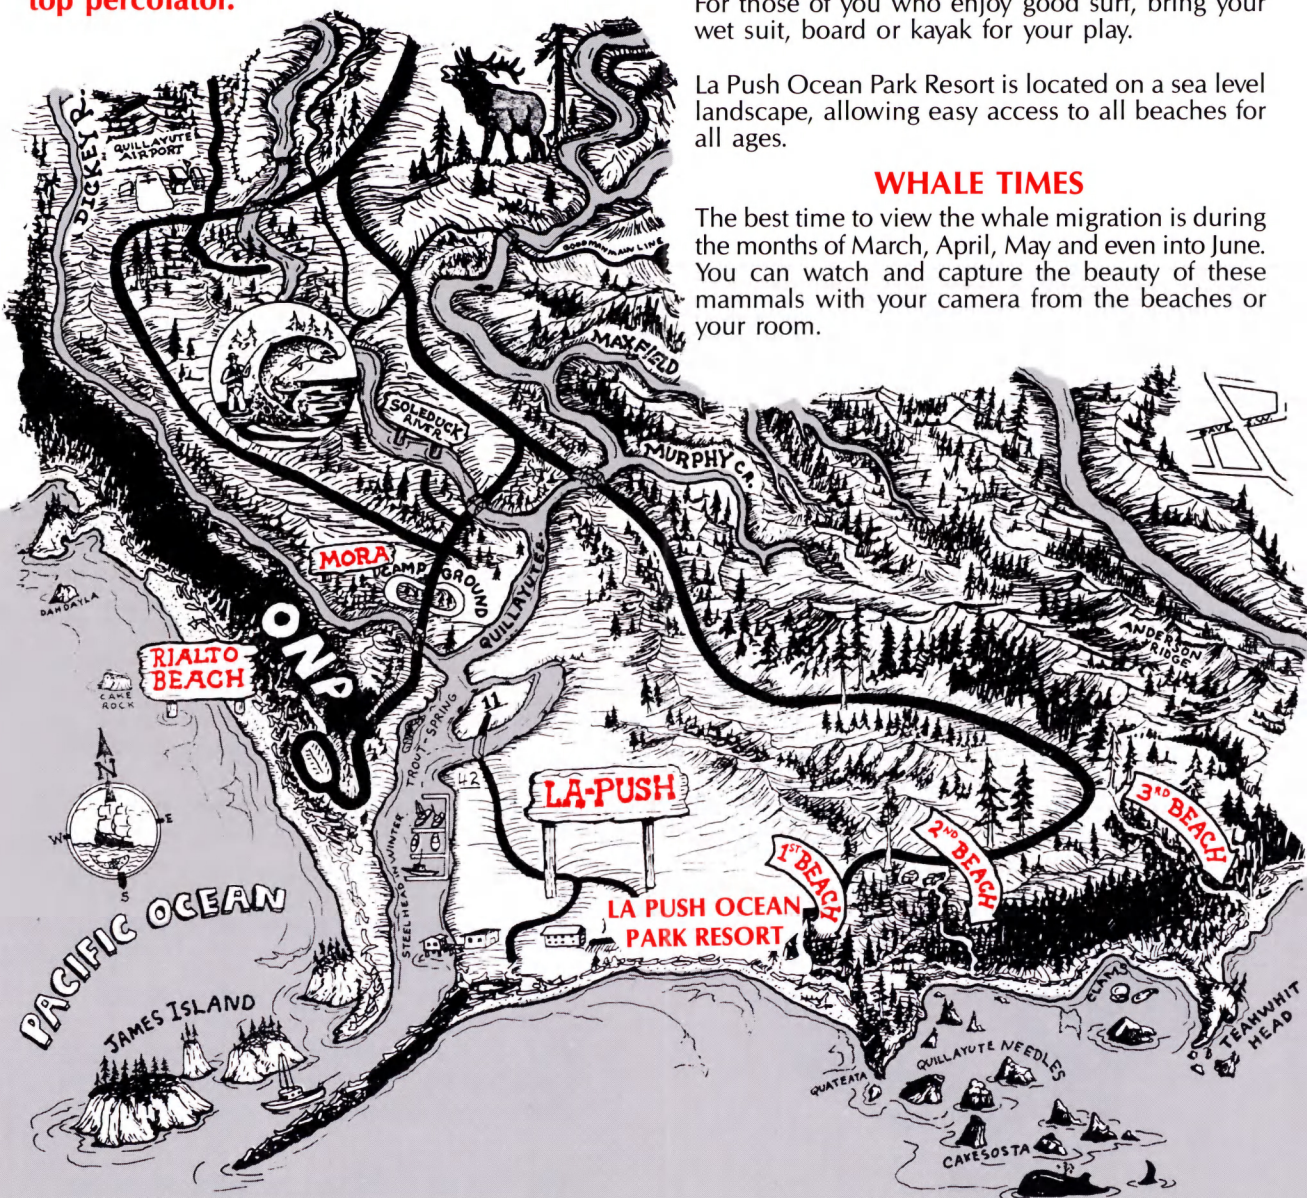

La Push Ocean Park Resort is conveniently located on First Beach, which is 7,000 feet of ocean beach. Second Beach (National Park Service) is located 3/4 of a mile away; Third Beach is 3 miles from the resort and Rialto Beach (National Park Service) is 12 miles away. These beaches offer scenic views and easy access. You may choose a sandy or rocky beach to stroll along to view driftwood, tidepools and wildlife.

For those of you who enjoy good surf, bring your wet suit, board or kayak for your play.

La Push Ocean Park Resort is located on a sea level landscape, allowing easy access to all beaches for all ages.

WHALE TIMES

The best time to view the whale migration is during the months of March, April, May and even into June. You can watch and capture the beauty of these mammals with your camera from the beaches or your room.
