

## “A WAR MEMORIAL LIKE NO OTHER”

—GEN. H. NORMAN SCHWARTZKOPF

(in his MSNBC documentary,  
“Pearl Harbor: Attack on America”)

Thousands of journalists and millions of visitors agree. Around the world, the *USS Arizona* and its graceful Memorial remain the most *unforgettable images of the surprise attack* on Pearl Harbor, December 7, 1941.

A nationwide poll of American journalists – looking back at all the incredible momentous events of the 20<sup>th</sup> century – rated *Pearl Harbor as the #3 “News Story of the Century,”* topped only by the atomic bomb and man on the moon.

Being in Pearl Harbor where it actually happened is a moving experience. Perhaps you wonder, as do many visitors, “*What can I do to remember and honor...a husband, a father, a comrade in arms? How can I help preserve and protect the enduring values of this place?*”

## REMEMBER...

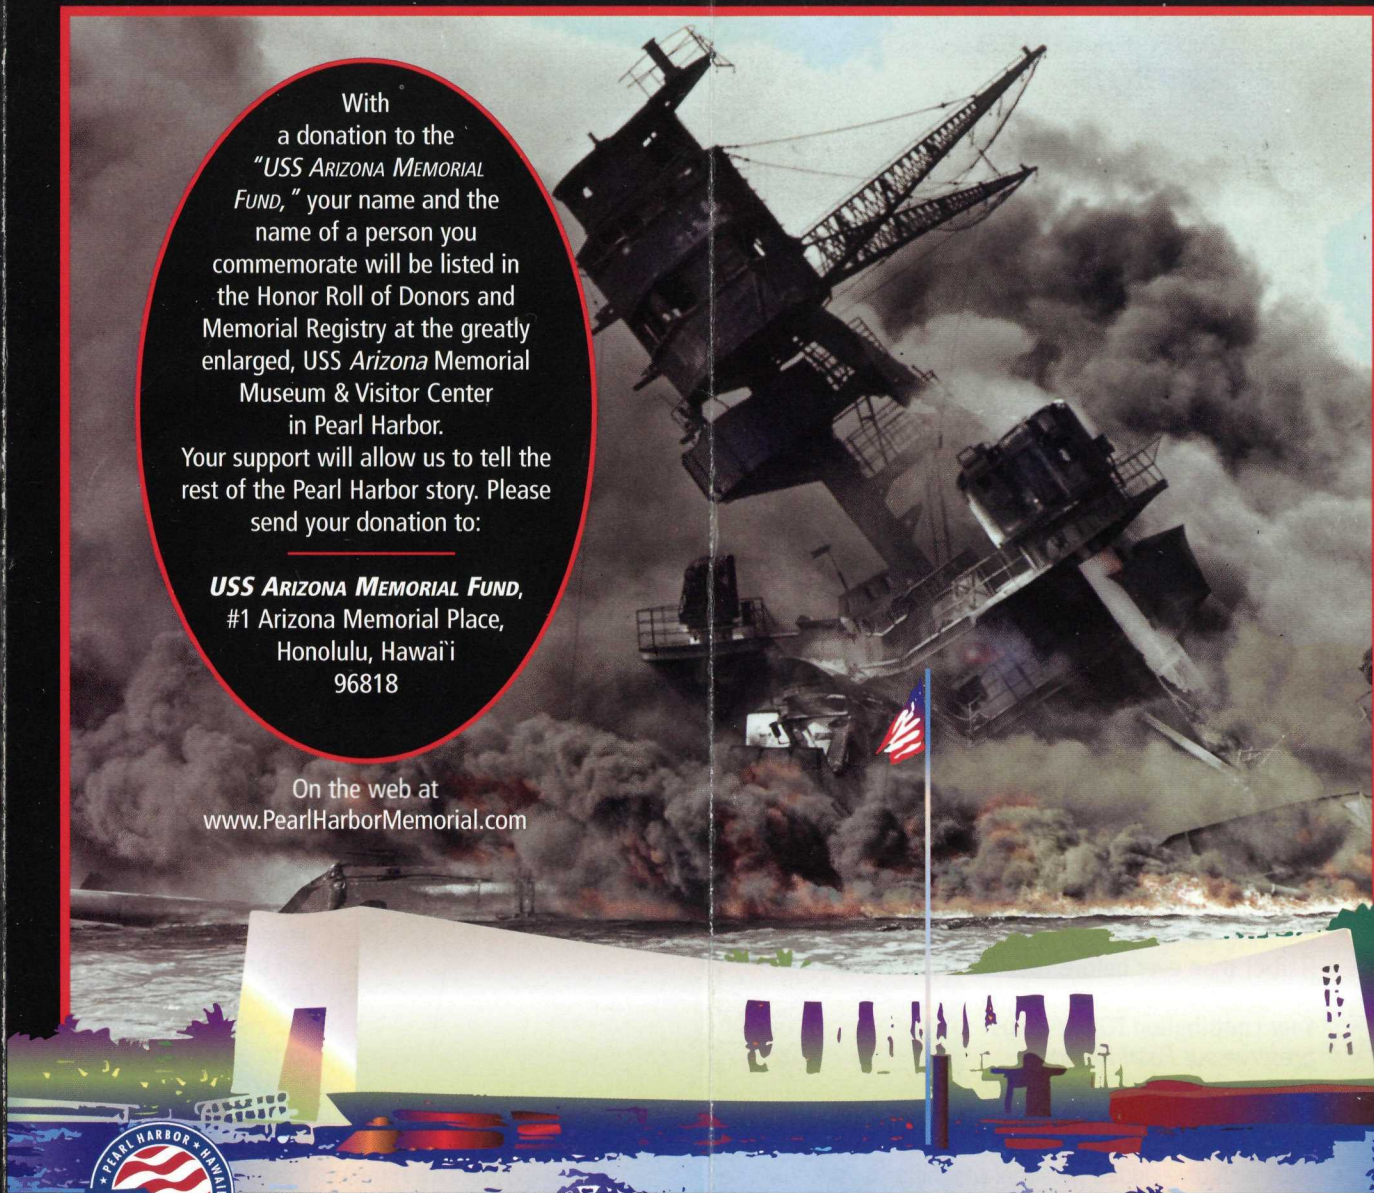

With a donation to the “*USS ARIZONA MEMORIAL FUND,*” your name and the name of a person you commemorate will be listed in the Honor Roll of Donors and Memorial Registry at the greatly enlarged, *USS Arizona Memorial Museum & Visitor Center* in Pearl Harbor.

Your support will allow us to tell the rest of the Pearl Harbor story. Please send your donation to:

## BE A PART OF THE REST OF THE STORY

# PEARL HARBOR COMMEMORATIVE

**P**EARL HARBOR  
CHANGED AMERICA  
AND THE WORLD.  
IT CHANGED YOU AND  
ME...OUR FAMILIES...  
OUR FRIENDS.

One and a half million visitors every year experience the power and reverence of this, the final resting place for most of the 1,177 sailors and marines who died on the *Arizona*. The Remembrance Exhibit at the Memorial Visitor Center also honors the fallen of the other ships, airfields, and barracks attacked on that "Date which will Live in Infamy." Ultimately it commemorates all casualties and combatants of World War II in the Pacific.

The USS *Arizona* Memorial Museum — with its dramatic and educational exhibits — is now in serious need of help. Originally designed for 750,000 annual visitors, the Museum and Visitor Center today average twice that many.

More importantly, precious artifacts, documents, photographs, and personal memorabilia are still in storage, never seen by the general public. The Memorial Museum expansion will double the exhibit space and provide a climate controlled environment. Then we can tell more heroic, moving, and inspiring stories of Pearl Harbor than ever before.

Your contribution TODAY helps preserve our Pearl Harbor heritage FOREVER.

Your gift of \$25, \$50, \$100 or more will give added personal meaning to your present or future visits to the Memorial, even if the "visit" is a television documentary, news report, or on the internet:
