MISSOURI TO CALIFORNIA

More than 1,800 miles in 10 days! From St. Joseph, Missouri, to Sacramento, California, the Pony Express could deliver a letter faster than ever before.

In operation for only nine months between April 1860 and November 1861, the Pony Express nevertheless became synonymous with the Old West. In the era before electronic communication, the Pony Express tied the bustling East to the American West.

The ride is an annual event. If you miss 2016, plan for 2017!

- Departs Sacramento, California, on June 15, 2016
- Arrives in St. Joseph, Missouri, on June 25, 2016

You can follow the ride and meet the horses and riders at mail delivery stops along the way!
