

Interpretive Planning

FIRST OF ALL, WE'LL HAVE TO MOVE THAT MOUNTAIN SO WE CAN GET A BETTER VIEW OF THE LAKE!

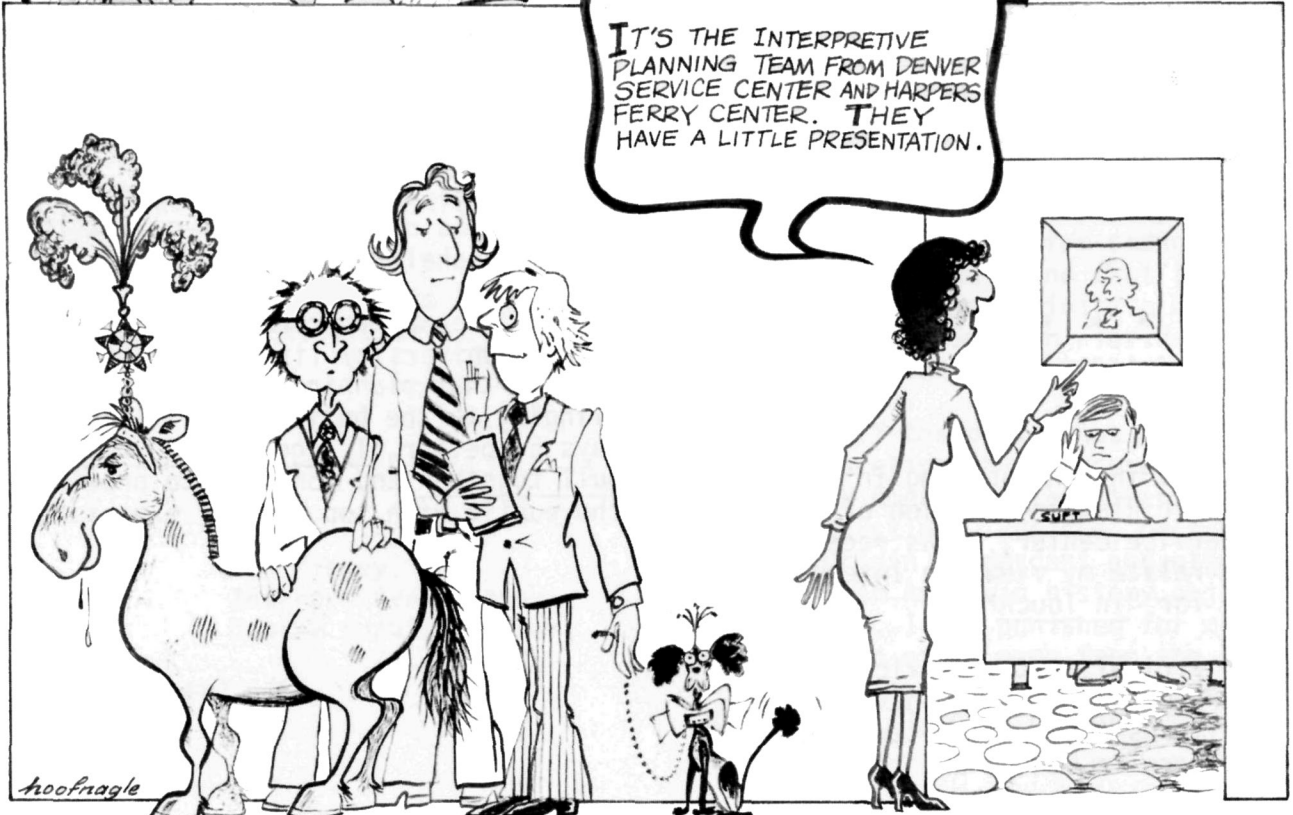

DON'T YOU THINK WE SHOULD'VE GOTTEN THE PLANNERS HERE BEFORE NOW? THE CONTRACTORS ARE ALREADY AT WORK ON THE NEW VISITOR CENTER!

NO PROBLEM! THE PLANNERS CAN STOP BY WHEN THE VISITOR CENTER IS COMPLETED. BY THE TIME THEY DECIDE WHERE THE V.C. SHOULD BE AND THE MONEY IS BUDGETED, WE'LL NEED A NEW VISITOR CENTER, ANYWAY!

IT'S THE INTERPRETIVE PLANNING TEAM FROM DENVER SERVICE CENTER AND HARPERS FERRY CENTER. THEY HAVE A LITTLE PRESENTATION.
