.....
HISTORIC ISLAND CLUB LODGE

Rooms include breakfast and dinner.
Tel. 506-752-2487

Campobello Island

New Brunswick, Canada

FDR called it, "my beloved island". He wrote, "How I would love to be with you all and relive the days when I was at Campobello I hope it will not be many summers before I can be with you all again."
Campobello, the island where President Roosevelt vacationed, the waters where he sailed, the woods and beaches where he tramped and relaxed.

FDR'S SUMMER "COTTAGE"

Stirling Lambert
