

Is
ROCKY MOUNTAIN
NATIONAL PARK
IMPORTANT TO YOU?

JOIN THE
ROCKY MOUNTAIN NATURE
ASSOCIATION

Promote environmental education

Preserve and protect natural treasures

Purchase land for wildlife and wilderness

Prepare the park for the future

ROCKY MOUNTAIN NATURE ASSOCIATION:

Helping Rocky Mountain National Park
Since 1931 . . .

RMNA assists with natural history education through the development of interpretive publications for visitors

RMNA is a major contributor to improvement projects like the Kawuneeche Visitor Center, the Moraine Park Museum renovation and Lily Lake Visitor Center exhibits

RMNA funds the Junior Ranger program teaching children about the environment

RMNA supports research projects like:
Wolverine and lynx population studies
Black bear ecology
Bighorn Sheep in the Never Summer Range
Exotic plant populations

RMNA helped purchase 56 acres of land to expand park boundaries near Lily Lake. It also purchased the 40 acre Jennings tract in the Kawuneeche Valley

RMNA assists with special projects such as wheelchair accessible trails at Bear Lake, Sprague Lake and Adams Falls

RMNA offers outdoor field seminars providing opportunities to study the park's natural and cultural history

RMNA provides a broad range of informative literature for park visitors to increase appreciation for natural areas

RMNA also helps state parks, national forests, and other natural areas with dozens of projects annually

MEMBERS RECEIVE...

A 15% discount on publications sold at RMNA and other national park bookstores
