

What You Need to Know

Check in After 1 pm	Quiet Hours 10 pm- 6 am
Check out 12 noon	Speed Limit 10 mph

 **Cell service is unreliable.** Do not depend on your phone for navigation or emergency help.

 **Pets are only allowed in picnic areas, parking lots, campgrounds, and along roadsides.** They must be on leashes no longer than 6 feet at all times. Pets (including emotional support and therapy animals) are not allowed anywhere else in the park, including trails and buildings.

 **Keep snacks to yourself.** It is illegal to feed wildlife. Human food damages wild animals' ability to process food and can kill them. Keep food within reach at all times.

 **Fires are only allowed in the metal fire grates provided.** Do not move fire grates or create fire rings. Never leave fires or coals unattended. Fires must be completely out before leaving the campsite or going to bed.

 There are **no laundry facilities** in the park.

 Some wildlife depend on the darkness of night. Keep lights pointed down, avoid bright settings, and use red-light flashlights when possible.

-  **Prohibited in the park:**
-  Use of skateboards, rollerblades, scooters, or similar devices.
 -  Operating drones
 -  Fireworks
 -  Trenching or putting nails in trees
 -  Marijuana possession and use
 -  Hanging tents
 -  Hummingbird or bird feeders

In an emergency, call or text 911

Campground Features

 **Firewood sales**

 **Potable water spigots.** Spigots are not threaded and there are no hookups of any kind.

 **Restrooms** with outside sinks for washing dishes and disposing of waste/gray water.

 **Sanitary dump station**

 **Trash and recycling stations**

Additional Information:

- **Maximum 8** people per site.
- **Generators** are permitted in all loops and may be run between 7:30-10 am and 4-8:30 pm.
- Vehicles (includes trailers/RVs) must be completely parked on designated gravel or pavement.
- **Overflow parking** may be available. Talk to a ranger or campground host.
- **Hammocks are not allowed** due to lack of mature trees in campground.
- During Timed Entry, Timber Creek campers have access to all areas of the park **except** the Bear Lake Road Corridor. A timed entry reservation is required to access this area.

Food Storage Requirements

Wildlife depend on you to stay alive and healthy! You can protect wildlife by properly storing all scented items and food. **If your campsite has a food storage locker**, you are required to use it unless staying in a hard-sided RV.

Food storage locker

If your campsite does NOT have a food storage locker, you are required to store all scented items and food inside your vehicle. They must be out of sight, with windows completely closed and doors locked. Never store items in a truck bed or strapped to the outside of a vehicle.

- **Scented items and food** that must be stored include, but are not limited to:
 - Food, chewing gum, drinks, and drink containers or water bottles
 - Cleaning supplies
 - Toiletries (soap, shampoo, sunscreen, deodorant, lip balm)
 - Cosmetics
 - Pet food and bowls
 - Garbage (food scraps, empty cans or bottles, food wrappers)
- **All coolers (including “bear-proof”), stoves, grills, non-disposable tableware, and cookware** must be stored in food storage lockers or vehicles.
- Wildlife can visit at any time. Never leave scented items unattended. Keep these items stored at all times when not in use. **Improperly storing or leaving out food, garbage, or scented items will result in confiscation and/or citation.**
