

Planning Your Visit to Liberty Island

There are many options from which to choose when planning your visit to Liberty Island. Shown here are some of the highlights.

The Crown

You can visit the crown of the statue, from which there is a limited view of New York Harbor. The 22 story climb may be difficult for some visitors. A wait in line of 2 to 3 hours may be required.

Top of the Pedestal

The top of the Pedestal is 10 stories high. The outside balcony offers the best views of Manhattan and New York Harbor.

Promenade

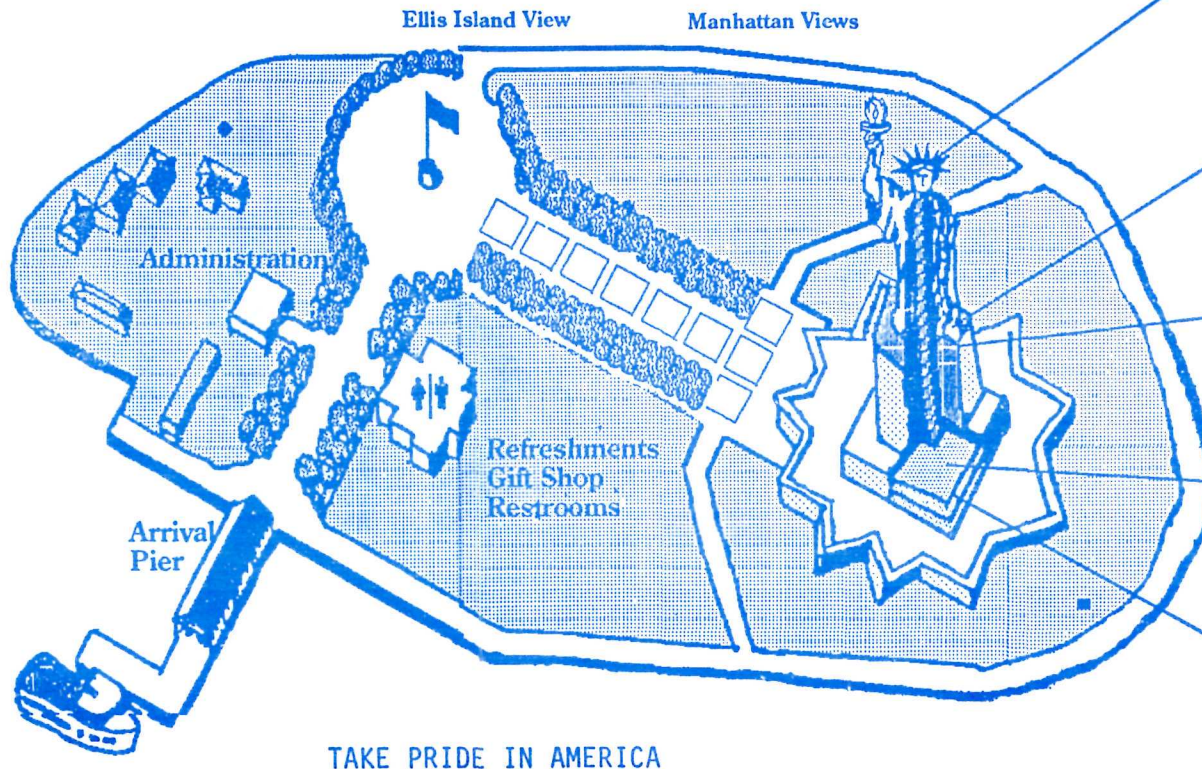

From the Promenade you will have clear views of the harbor and the Manhattan skyline. The Promenade can be reached from the Third Level.

Third Level

The Immigration Exhibit portrays through words, objects, and photographs the arrival of millions of new Americans and their contributions to the United States.

Second Level

The Statue of Liberty Exhibit depicts the fascinating history and evolving national and international symbolism of the Statue through models, replicas and artifacts.

TAKE PRIDE IN AMERICA

The Statue of Liberty is one of the most abiding images of America, and a symbol of freedom and liberty for people around the world.
