RESERVE TICKET – Reserve a specific time to enter the screening facility. If there is a delay in arriving, visitors can enter the screening facility on the next available time slot.

3-DAY FLEX TICKET – Valid for one entry in a three day period. This gives the visitor flexibility in their departure time. If the departure time is certain, the Reserve Ticket is encouraged for purchase, as the time spent in line will be significantly shorter.

RESERVE WITH PEDESTAL – This pass allows visitor access to the Statue of Liberty Pedestal. The pedestal is roughly half the height of the entire monument, offering panoramic views of New York Harbor. There is no fee for this pass, but availability and entry times are limited. For Flex Ticket holders, a limited number of passes are available at the ticket booth each day on a first come, first served basis.

RESERVE WITH CROWN ACCESS – Climb to the Crown of the Statue of Liberty! You will get all the benefits of the Pedestal Pass and the Reserve Ticket, plus access to the Crown. Limited availability, advance purchase required.
