

Virgin Islands National Park

Lind Point, Caneel Hill, Margaret Hill Trails

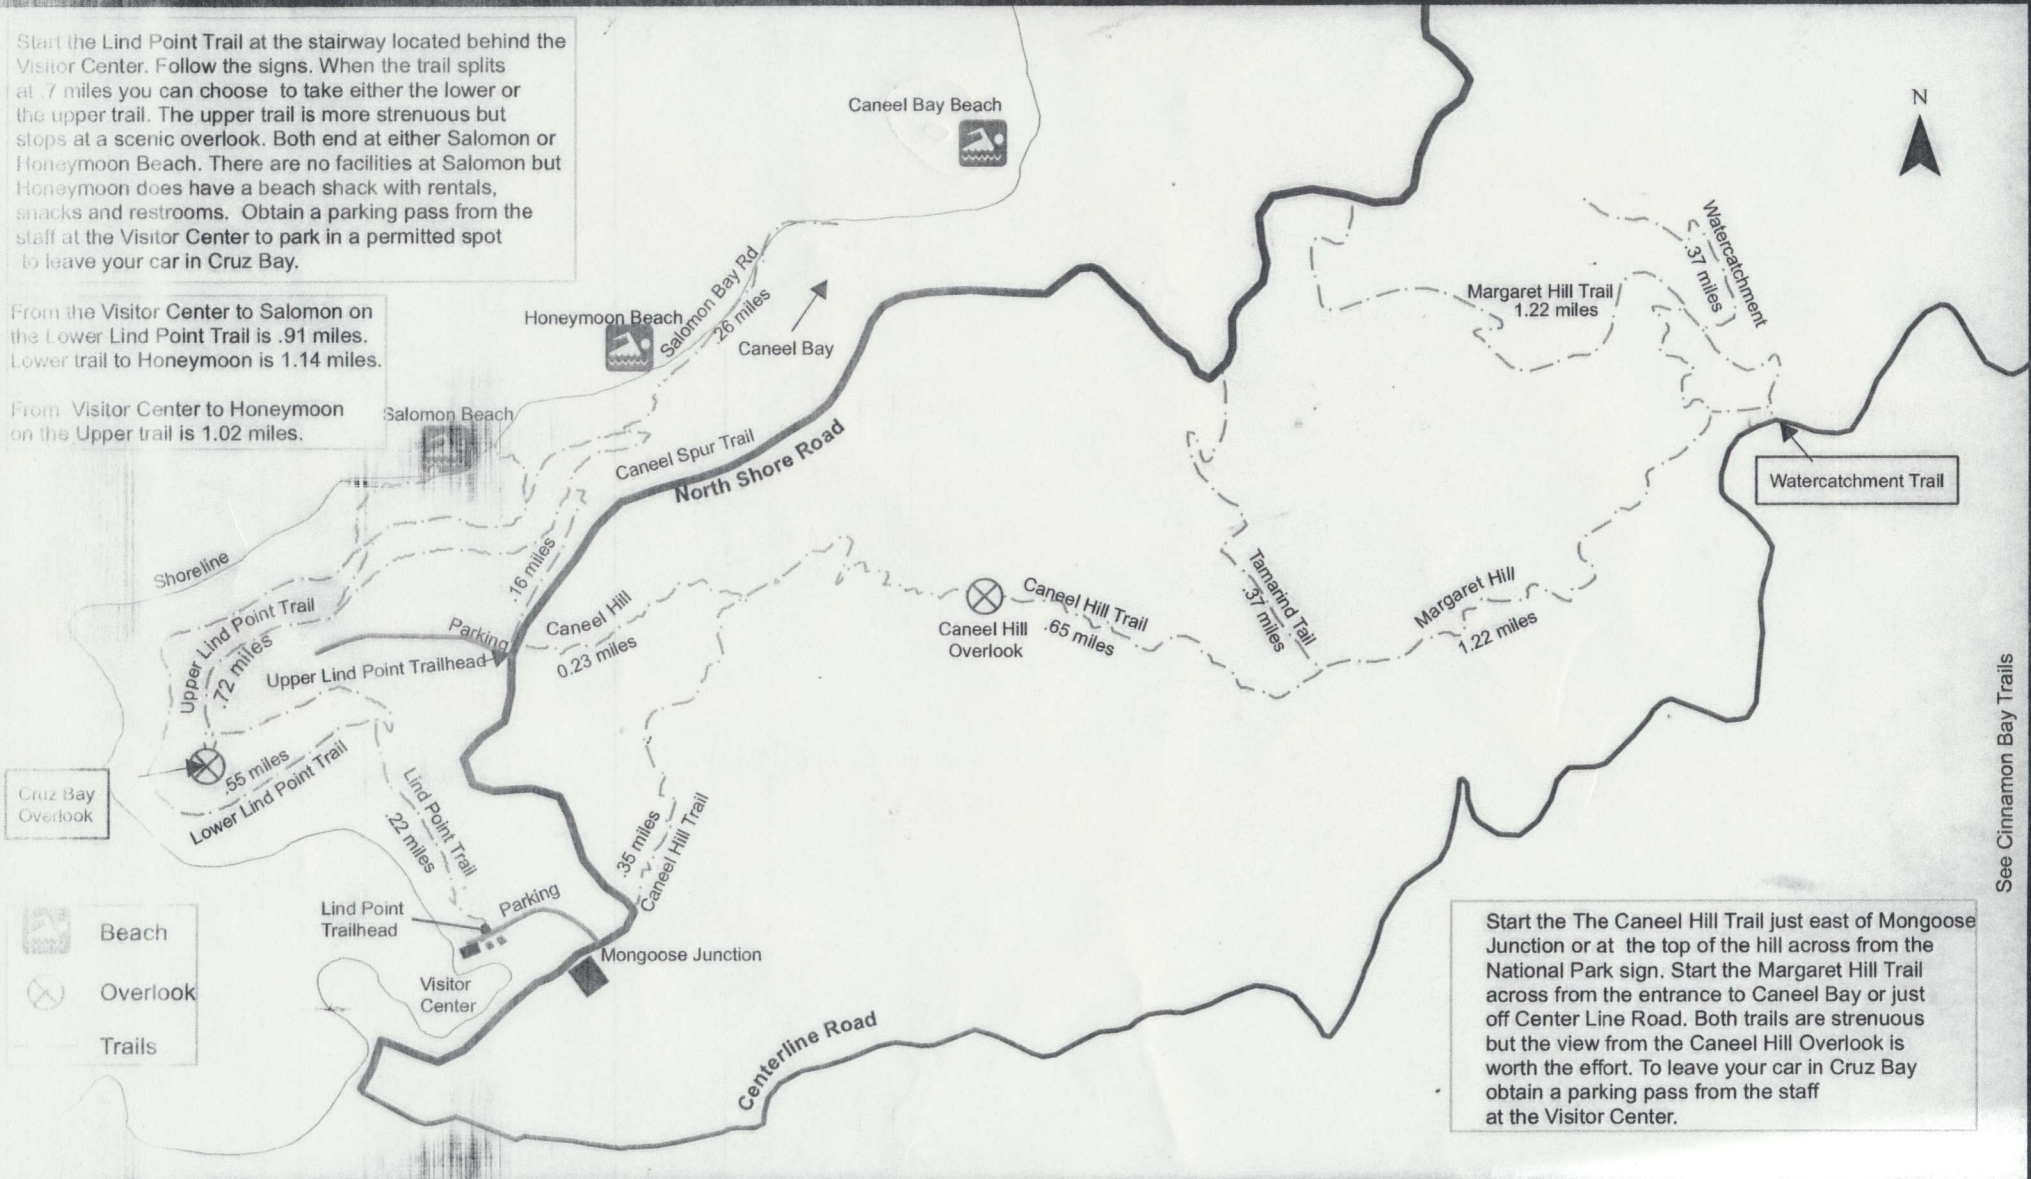

U.S. Department of the Interior
National Park Service

Start the Lind Point Trail at the stairway located behind the Visitor Center. Follow the signs. When the trail splits at .7 miles you can choose to take either the lower or the upper trail. The upper trail is more strenuous but stops at a scenic overlook. Both end at either Salomon or Honeymoon Beach. There are no facilities at Salomon but Honeymoon does have a beach shack with rentals, snacks and restrooms. Obtain a parking pass from the staff at the Visitor Center to park in a permitted spot to leave your car in Cruz Bay.

From the Visitor Center to Salomon on the Lower Lind Point Trail is .91 miles. Lower trail to Honeymoon is 1.14 miles.

From Visitor Center to Honeymoon on the Upper trail is 1.02 miles.

Start the The Caneel Hill Trail just east of Mongoose Junction or at the top of the hill across from the National Park sign. Start the Margaret Hill Trail across from the entrance to Caneel Bay or just off Center Line Road. Both trails are strenuous but the view from the Caneel Hill Overlook is worth the effort. To leave your car in Cruz Bay obtain a parking pass from the staff at the Visitor Center.
