

Have you ever needed to just get away from everything for a day or two? Within a two-hour drive or less from White Sands, you can enjoy special places that can take you back in time or even up in space. Many of these areas can be enjoyed in one day, so you can spend a weekend enjoying White Sands National Monument and several great places nearby!

# New Mexico Museum of Space History & IMAX

New Mexico Museum of Space History is located in Alamogordo just 20 miles from White Sands. The museum is a four-story building that describes New Mexico's place in space history. The museum also has an IMAX theater. To get there, just follow

White Sands Blvd. to Indian Wells, turn right, and follow the brown signs to the museum.

For more information: Call 575-437-2840 or 1-877-333-6589 Visit www.nmspacemuseum.org

#### Alameda Park Zoo

Alameda Park Zoo is the oldest zoo in the southwest and is located just 15 miles from the monument on White Sands Blvd. Established in 1898, the zoo is home to over 250 animals ranging from ducks to Mexican grey wolves and everything in between!

For more information: Call 575-439-4290 Visit ci.alamogordo.nm.us/coa/ communityservices/zoo/Alameda\_ Park\_Zoo\_Information\_and\_Fees.htm

### **Toy Train Depot & Museum**

The Toy Train Depot and Museum is located 17 miles from the monument on White Sands Blvd. The depot is home to New Mexico's first railroad museum and a miniature train that can take you all around Alameda Park. The building was built in 1898

and previously served as the Torrance New Mexico Central Railroad Depot.

For more information: Call 575-437-2855

#### **Cloud Climbing Trestle**

The trestle is located 30 miles from White Sands and is near the village of Cloudcroft. It can be viewed from Highway 82 or you can hike to see the remnants of the train tracks. The trestle is a small remnant of a train system that carried wood

and passengers from Cloudcroft to Alamogordo. The Trestle was used from 1899 to 1947.

For more information: Call 575-682-2551 Visit www.fs.usda.gov/lincoln

#### **Lincoln National Forest**

The Lincoln National Forest protects 1,103,441 acres of land. Of the three districts that make up the Lincoln National Forest, the Sacramento District has a visitor center in Cloudcroft, just 30 miles from White Sands on Highway 82. The forest

offers many recreational activities such as hiking, camping, skiing, and snowshoeing.

For more information: Call 575-434-7200 Visit www.fs.usda.gov/lincoln

### **Aguirre Springs Recreation Area**

Located 39 miles southwest from White Sands on Highway 70, Aguirre Springs is open year-round for camping, hiking, and picnicking. It is located on the east side of the Organ Mountains, which are among the steepest mountains in the western United States. Managed by the BLM,

Aguirre Springs is part of the Organ Mountains National Monument.

For more information: Call 575-525-4300 Visit www.blm.gov/nm/st/en/prog/ recreation/las\_cruces/aguirre\_spring\_ campground.html

# New Mexico Farm & Ranch Heritage Museum

Located just over 50 miles from White Sands, this museum catalogs New Mexico's farming and ranching history. One can enjoy several exhibit areas and a barn that houses live animals. The museum also hosts living history demonstrations. Call ahead for program schedules.

To get here, take Highway 70 west to I25 south. Exit on exit 1, and follow University Ave. east until it becomes Dripping Springs Road.

For more information: Call 575-522-4100 Visit nmfarmandranchmuseum.org

## White Sands Missile Range Museum and Missile Park

The White Sands Missile Range Museum and Park are great places to visit for military history aficionados and for those interested in learning about America's missile and space history. The museum and park are located only 30 miles southwest from White Sands on Highway 70. A

visitor's pass must be aquired at the entrance gate to the missile range.

For more information: Call 575-678-8824 Visit www.wsmr-history.org

### **National Solar Observatory**

Have you ever wanted to learn more about the solar system? If so visit the National Solar observatory located on Sacramento Peak, 51 miles from White Sands in the Lincoln National Forest. This observatory has a visitor center, gift shop, and

amazing telescopes that give scientists a view into space.

For more information: Call 575-434-7000 Visit www.nso.edu
