DEPARTMENT OF THE INTERIOR OFFICE OF THE SECRETARY

GENERAL INFORMATION

REGARDING

YELLOWSTONE NATIONAL PARK

SEASON OF 1912

GENERAL STATEMENT.

The Yellowstone National Park is located in northwestern Wyoming, with a small area in Montana and Idaho. It was created by the act of March 1, 1872, and has an area of 2,142,720 acres. It is under the control and supervision of the Secretary of the Interior, but it is patrolled by four troops of Cavalry commanded by a line officer of the Army, assisted by a number of civilian scouts. Road and bridge construction and road sprinkling are under the direction of the Corps of Engineers of the United States Army.

General information may be obtained at the superintendent's office at Fort Yellowstone, Mammoth Hot Springs, Wyo., and complaints regarding service should be addressed to that officer. The tourist

season extends from June 15 to September 15.

The transportation companies allow each passenger to take along 25 pounds of hand baggage without extra charge, which is usually quite sufficient unless considerable extra time is to be spent in the park, when arrangements can be made for having trunks forwarded. Arrangements can be made for caring for trunks left at entrance during tour of park, or for rechecking them for passengers who enter at one side of the park and go out by another route.

Heavy, strong clothing and heavy shoes (or light shoes and rubbers) are advisable. A rain coat or other light, serviceable wrap should be taken along. Dusters or heavy coats may be rented for park trips

by those desiring them.

The post office in the park is called Yellowstone Park, Wyo., and is located 5 miles from the northern entrance. Those entering from the west should have their mail addressed to Yellowstone. Mont.

Telegrams may be sent from hotels to any part of the world. General stores are located at Mammoth Hot Springs, Upper Geyser Basin, and outlet of Yellowstone Lake.

RAILROADS.

The Northern Pacific Railroad reaches the park on the north at Gardiner, Mont.; the Oregon Short Line Railroad reaches it on the west at Yellowstone, Mont.; and the Chicago, Burlington & Quincy Railroad reaches Cody, Wyo., from which the eastern entrance to the park may be reached by a drive of 63 miles. Descriptive matter and information regarding railroad rates may be obtained from the roads mentioned. Excursion tickets are sold during the park season. Tickets may be purchased, including (1) transportation to the park; (2) transportation to and within the park; (3) transportation to and within the park.

TRANSPORTATION AND ACCOMMODATIONS IN THE PARK.

Automobiles and motor cycles are not allowed in the park. There are a number of hotels, permanent camps and transportation lines operated in the park under contract with the Department of the Interior, and movable camps operate under yearly license issued by the department, but every person is at liberty to provide his own means of transportation, subject to the regulations printed on pages 27–30. Five and one-half days is the minimum time in which the tour of the park can be made. Persons starting on the tour of the park by way of the movable camps can not obtain accommodations at the hotels except in cases of sickness or exceptional circumstances. Circulars and information may be obtained from the concessioners whose addresses are given in this circular.

Tourists are advised to arrange in advance for their hotel or camp ac-

commodations.

YELLOWSTONE PARK HOTEL CO.

The Yellowstone Park Hotel Co. maintains five hotels and two lunch stations in the park. The hotels are located at Mammoth Hot Springs, the Lower Geyser Basin, the Upper Geyser Basin, the outlet of Yellowstone Lake, and the Grand Canyon of the Yellowstone; the lunch stations are located at Norris Geyser Basin and the Thumb of the lake. These hotels are operated in connection with the Yellowstone Transportation Co. whose coaches start from the northern entrance at Gardiner, the Monida & Yellowstone Transportation Co. whose coaches start from the western entrance at Yellowstone, and the Holm Transportation Co. whose coaches start from Cody, Wyo.

The address of the hotel company is Yellowstone Park, Wyo., from June 15 to September 15, and Helena, Mont., thereafter. The

authorized rates at the hotels are as follows:

R. C. BRYANT CO.

The R. C. Bryant Co., under a yearly license, operates movable camps from Yellowstone, the western entrance. The camp equipment used by this company is moved every morning and a new camp is made at night. The address of this company is Yellowstone, Mont., from June 15 to September 15, thereafter First National Bank Building, Chicago, Ill. The authorized rates are as follows:

Itinerary and rates of R. C. Bryant Co.

ITINERARY.

Parties will usually be brought into the park by the Yellowstone or western entrance and camps will ordinarily be made at the following points:

First camp: On the old road between Fountain Station and Midway Basin.

Second camp: At De Lacy Creek.
Third camp: Near Lake Hotel.
Fourth camp: At the Grand Canyon.
Fifth camp: Near Apollinaris Spring.
Sixth camp: Near Apollinaris Spring.

A few parties will spend 10 days in the park, in which cases, in addition to the above places, camps will be made at Tower Falls and Lava Creek east of Mammoth Hot Springs.

In case of persons entering at Gardiner, first night camp near Apollinaris Spring;

second day join regular party from Yellowstone.

RATES.

The following rates are for each member of the party, including transportation, board, and lodging in the camp:

For five-day trips from Yellowstone Station only, \$30 each person.

For seven-day trips from Yellowstone or Gardiner, covering all points of interest on regular stage roads of the park, \$35 each person.

For 10-day trips covering all points of interest on the regular stage roads of the park, and side trip to Mount Washburn, Tower Falls, petrified trees, etc., \$50.

For outfitting private and independent parties: For parties of eight or more, \$5 per day each person.

For parties of from five to seven, inclusive, \$6 per day, each person.

For three or four persons, \$7 per day each person, providing one carriage and one baggage wagon.

For two persons, \$9 per day each person, providing one carriage and one baggage

For one person, \$12 per day, providing one conveyance and one man who shall be

both guide and cook.

For saddle horses, \$1 per day extra to members of any party. If a horse-back rider reserves definitely a seat in coach, extra charge for saddle horse, \$2.50.

PERSONALLY CONDUCTED CAMPING PARTIES.

Licenses are granted to firms and individuals allowing them to personally conduct camping parties through the reservation. A list may be procured from the acting superintendent of the park.

BOAT SERVICE ON YELLOWSTONE LAKE.

The Yellowstone Park Boat Co., under contract with the department, maintains and operates power boats, cruisers, launches, and rowboats on Yellowstone Lake in the Yellowstone National Park. The service on this lake is not a part of the regular transportation of the park and an extra charge is made, as shown in the schedule hereafter, by the boat company for services rendered by it. Under the regulations of the department no power boats are permitted to be operated on this lake except those that have passed the inspection of the United States Steamboat-Inspection Service of the Department of Commerce and Labor.

Thumb of Lake (For points of interest and distance from Thumb of Lake, see p. 13.)		48	a 7,741	Camping place 1½ miles south.

SIDE TRIPS FROM MAMMOTH HOT SPRINGS.

Around Bunsen Peak.—Twelve miles by a one-way wagon road, south from Mammoth. Passes buffalo corral, climbs side of Bunsen Peak to Middle Gardiner Canyon (second canyon in size in the park), Sheepeater Cliffs in canyon sides, along the canyon with view of Osprey Falls (150 feet), and returning via Golden Gate and main road. Guide not necessary.

Buffalo herds (tame).—Small show herd is kept in summer in corral 1 mile south from Mammoth Hotel, on road to Bunsen Peak. Guide not needed. Formation surreys from hotel drive to this

SKETCH MAP OF GRAND CANYON REGION.

corral. Main herd is kept at buffalo farm on Lamar River, 30 miles east from Mammoth, on stage road to Cooke. One hundred and twenty-five head of pure blood bison under fence or herder. No accommodations nearer than Wylie Camp Roosevelt (12 miles),

but plenty of good camping places and fine fishing.

Tower Falls (132 feet).—Near mouth of Tower Creek, 20 miles southeast from Mammoth, on road to Mount Washburn. Beautiful falls and mountain scenery. Guide not needed. Accommodations

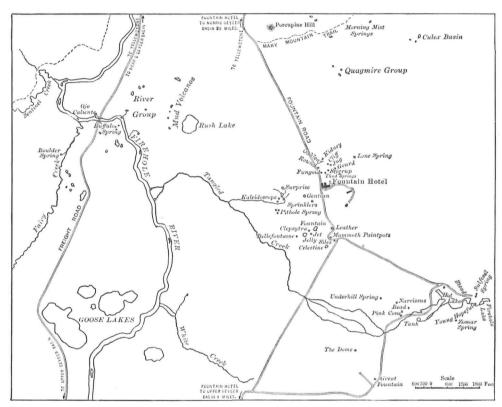

at Wylie Camp Roosevelt, 2½ miles from Tower Falls.

Petrified stumps.—Nineteen miles by wagon road and three-fourths mile on side road southeast en route to Tower Falls. No guide needed.

Specimen Ridge and Fossil Forest.—Twenty-four miles southeast

by wagon road, thence 4 miles by trail. Guide needed.

Northeastern portion of park.—A trip could be made to include the petrified trees, Tower Falls, main buffalo herd, Specimen Ridge and Fossil Forest, and some of the best fishing in the park in Yellowstone River in vicinity of Tower Falls, Lamar River, and Slough Creek. Wylie permanent camp (Roosevelt) on Lost Creek, 2½ miles

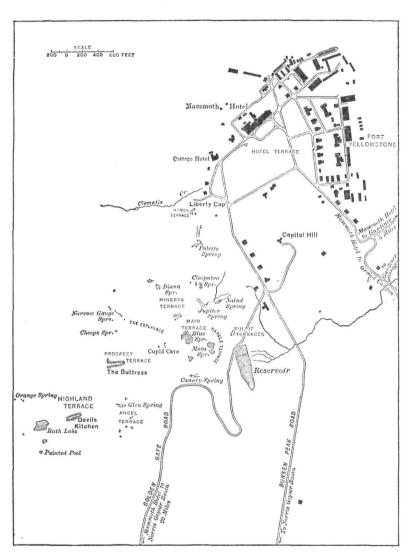

SKETCH MAP OF LOWER GEYSER BASIN.

northwest from Tower Falls (18 miles from Mammoth), provides accommodations after Mount Washburn Road is opened in the spring. Wagon road to Tower Falls and Soda Butte, but other points would have to be reached by trail, and guide and pack train would be needed. Excellent camping places in abundance on this trip.

MOUNTAIN CLIMBING.

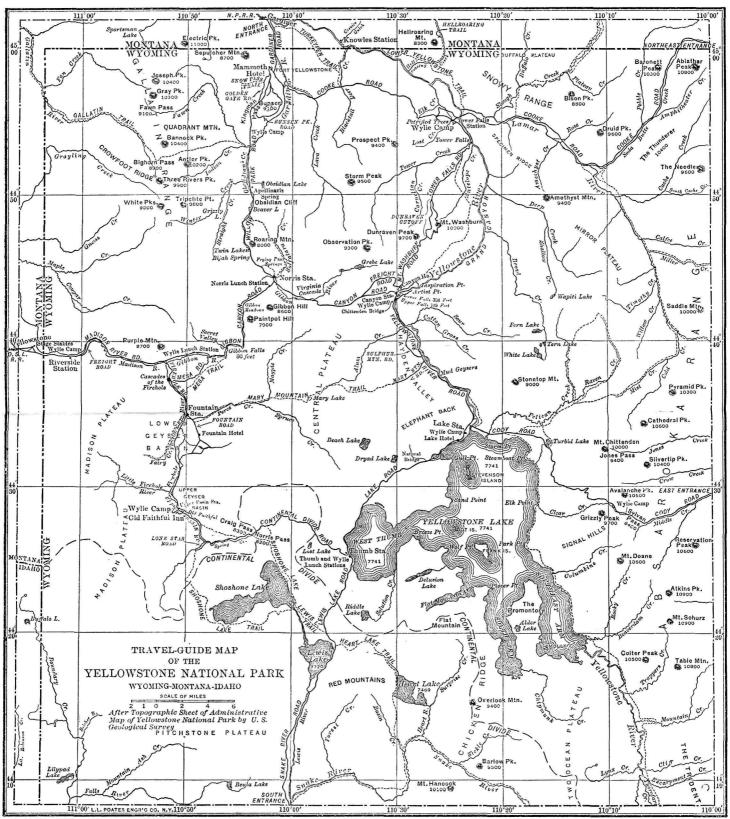

Electric Peak (10,800 feet). —Ten miles northwest by trail; 8 miles may be done with saddle horse, balance on foot, and a portion of it is

a There is no drinking water on top of any of these mountains.

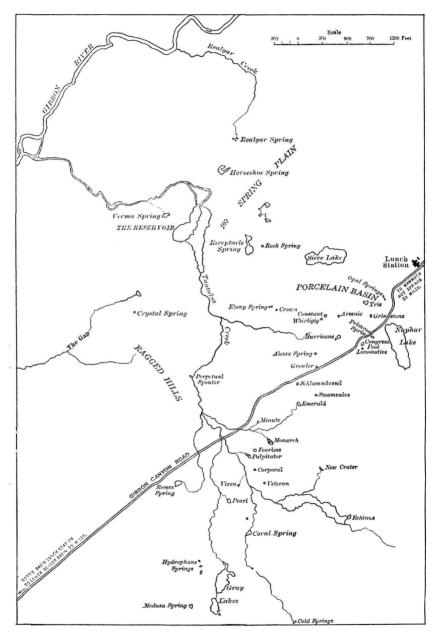

SKETCH MAP OF MAMMOTH HOT SPRINGS.

difficult and somewhat dangerous. Highest mountain in the park. Fine view on all sides. Guide needed.

Bunsen Peak (9,100 feet). -South 7 miles. Saddle horse can be

ridden to top. Fine view. Guide not necessary.

Mount Everts (7,900 feet).^a—Northeast. Saddle horse can be ridden up from either end, over the top, and down the other end; total distance about 15 miles. No guide needed.

Sepulchre Mountain (9,500 feet).a—Seven miles west. Saddle horse can be ridden to top comfortably. Guide needed. Fine view.

SKETCH MAP OF UPPER GEYSER BASIN.

Mount Washburn (10,000 feet). —First-class wagon road to top, usually open about July 1. Thirty-two miles from Mammoth Hot Springs via Tower Falls to top, 11 miles from New Canyon Hotel to top. On clear days the view from the top is fine, and the whole route is over a beautiful and interesting road. Advisable to plan to reach the top before noon on account of usual high winds in afternoon. No guide is needed. (See also p. 13.)

Fishing trips.—One-day fishing trips from Mammoth Hot Springs may be made with rig, saddle horse, or even on foot by good pedes-

a There is no drinking water on top of any of these mountains.

trians, as follows: South on main road to Willow Creek, Indian Creek, Upper Gardiner and branches, and Glen Creek, for small Eastern brook trout. Distance 4 to 10 miles. East to Lava Creek, 5 miles, for small native or Eastern brook trout, or to Blacktail Deer Creek, 8 miles, for small native or Rainbow trout. East or northeast to main Gardiner River for whitefish, native, Loch Leven, and Eastern brook trout. North, 6 miles to Yellowstone River for whitefish and native trout.

SIDE TRIPS FROM FOUNTAIN HOTEL.

Great Fountain Geyser and Firehole Basin.—One and one-half miles southeast by wagon road. No guide needed. (See also p. 12.)

Twin Buttes and Fairy Falls (250 feet).—Three miles southwest by

trail. No guide necessary.

Fishing.—Good fishing in Firehole River and branches within easy distances of hotel.

SIDE TRIPS FROM OLD FAITHFUL INN.

Shoshone Lake and Geuser Basin.—Four and one-half miles by road via Lone Star Geyser, thence 8 miles via trail. Union geyser 100 feet high; Bronze Geyser. Guide needed. Fishing for Loch Leven, lake and Eastern brook trout.

SIDE TRIPS FROM THUMB LUNCH STATION.

Jackson Hole and Lake.—Forty-five miles (25 outside of park). Lewis Lake and Falls. (See p. 14.) Teton Mountains in Jackson Hole; Grand Teton, 13,691 feet. Fishing for native and lake trout. Wagon road.

Heart Lake and Geyser Basin.—Twelve miles south by trail. Guide

needed. Fishing for lake and native trout.

SIDE TRIPS FROM LAKE HOTEL.

Natural Bridge.—Four miles southwest by wagon road. On main road but not seen from steamboat.

Steamboat Spring.—Four miles northeast by boat. Fishing.—Fishing for native trout on Yellowstone Lake.

SIDE TRIPS FROM CANYON HOTEL.

Point Lookout.—One mile, down north side of canyon by wagon road.

Inspiration Point.—Three miles, down north side of canyon by wagon road.

Artist Point.—Three and one-half miles down south side of canyon

by wagon road.

Mount Washburn to top (10,000 feet).—Eleven miles northeast by

wagon road. (See p. 13.)

Fishing Hole.—In Yellowstone River at bottom of canyon, 7 miles down river by trail from hotel. Excellent fishing for native trout. Guide needed.

TERRACES, SPRINGS, AND GEYSERS.

Terraces, springs, etc., at Mammoth Hot Springs.

Boiling River (underground outlet of the hot springs located on Gardiner River, 1½ miles north from Fort Yellowstone).

McCartneys Cave (bottomless cave in formation on parade ground at Fort Yellowstone).

Glen. lowstone). Liberty Cap (extinct hot-spring cone, about 40 feet high). Cupids Cave. The Buttress. Lookout Point. Devils Kitchen. White Elephant. Stygian Cave (poisonous gases). Important springs: Palette. Cleopatra. Jupiter. Naiad.

Main.

Narrow Guage. Cheops. Orange. Bath Lake. Painted Pool. Important terraces: Hymen. Main. Minerva. Pulpit. Marble. The Esplanade. Prospect. Angel.

Highland.

Prominent geysers and springs.

[Based upon observations, season 1911.]

Sunset Lake.

NOTES ON FISH IN YELLOWSTONE PARK.

Blackspotted or cut-throat trout (Salmo Mykiss).—Native to many park waters. Without doubt reached Upper Yellowstone and Yellowstone Lake from Pacific slope through Two-Ocean Pass during high water in spring.

Whitefish (Coregonus clupeiformis).—Native to Yellowstone River below falls, and Gardiner, Madison, and Gallatin Rivers. Planted in

Yellowstone River above the falls.

Grayling (Thymallus Ontariensis Montanus).—Native to Madison and Gallatin Rivers and branches.

Eastern brook trout (Salvelinus fontanalis).—Planted. Loch Leven Trout (Salmo Trutti levensis).—Planted.

Von Behr (German brown) trout (Salmo Fario).—Planted.

Rainbow trout (Salmo Irideus).—Planted.

Lake trout (Cristivomer Namaycush).—Planted.

Land-locked salmon and black bass have been planted in the park, but apparently did not thrive, as they have never been heard from since they were planted.

MAPS.

A topographic map of the park, on the scale of 2 miles to the inch, may be purchased from the Director of the United States Geological Survey, Washington, D. C., for 20 cents.

Maps of the areas north, east, and south of the park may be obtained from the Director of the United States Geological Survey,

Washington, D. C. The maps should be ordered by names of atlas sheets given below:

Area north of park: Livingston sheet, scale 4 miles to the inch. Price 5 cents. Area east of park: Crandall and Ishawooa sheets, scale 2 miles to the inch. Price 5 cents for each sheet.

Area south of park: Mount Leidy and Grand Teton sheets, scale 2 miles to the inch. Price 5 cents each.

Circulars containing information relating to topographic maps may be obtained from the Director of the Geological Survey, Washington, D. C.

LITERATURE.

GOVERNMENT PUBLICATIONS.

SUPERINTENDENT OF DOCUMENTS.

The following publications may be purchased from the Superintendent of Documents, Government Printing Office, Washington, D. C.:

Geological history of the Yellowstone National Park; by Arnold Hague, 24 pp., illustrated. 10 cents.

Geysers, by Walter Harvey Weed; 32 pp., illustrated. 10 cents.

Explains the cause of the geysers and compares the Yellowstone geysers with those in Iceland and New Zealand.

The Superintendent of Documents has for sale the Government reports giving accounts of the early explorations and surveys in the park. A detailed price list may be obtained on application.

GEOLOGICAL SURVEY.

The following publications may be obtained from the Director of the United States Geological Survey, Washington, D. C.:

Monograph 32, part 2, Descriptive geology, petrography, and paleontology of the Yellowstone National Park. \$2.45.

Atlas of the geology of the Yellowstone National Park, 27 sheets folio. \$3.75.

Geologic Folio, No. 30, containing topographic and geologic maps of the park and a description of the geology. 50 cents.

Bulletin 395, Radioactivity of the thermal waters of the Yellowstone National Park. Free.

BOOKS.

Below is given a selected list of books on the park. These books are issued by commercial publishing houses and are not sold by the department or any Government officer.

[Barnes, O. P.] Fly fishing in wonderland, by Klahowya [1910], 56 pp., illustrated. Barth, Theodor. Amerikanisch Eindruck. 1907. 117 pp.

Yellowstone on pp. 62-67.

CAMPBELL, REAU. Complete guide and descriptive book of the Yellowstone Park. 1909. 173 pp., illustrated.

CHITTENDEN, H. M. The Yellowstone National Park, historical and descriptive. 1895. 397 pp., illustrated.

Dunraven, Earl of. The Great Divide: Travels in the Upper Yellowstone in summer of 1874. 1876. 377 pp., illustrated.

A good description of the park in its early days.

Finck, H. T. Pacific coast scenic tour. 1890. 309 pp., illustrated.

Yellowstone on pp. 279-293; Yosemite on pp. 81-107; Crater Lake on pp. 157-158; Mount Rainier on pp. 209-216.

Fountain, Paul. The eleven eaglets of the West. London, 1906. 362 pp.

An account of travels in 11 Western States and Territories. Yellowstone Park is described on pp. 173–195. Contains also descriptions of Yosemite, Mount Rainier, and Crater Lake.

Harrison, Carter H. A summer's outing and the old man's story. 1891. 297 pp., illustrated.

Yellowstone on pp. 15-81.

HAYNES, JACK E. Guide to the Yellowstone National Park. 141 pp., illustrated.HERBERTSON, F. D. and A. J. Descriptive geography from original sources: North America. 1901. 252 pp.

Yellowstone on pp. 171-180; Yosemite on pp. 194-196; Crater Lake on pp. 166-167.

Hesse-Wartegg, Ernest von. Nord-Amerika: Seine Städte und Naturwunder. 3 vols. 1880.

Yellowstone in vol. 2, pp. 228-242; Yosemite in vol. 2, pp. 130-144.

Hirschberg, Julius. Von New York nach San Francisco: Tagebuchblätter. 1888. 276 pp.

Yellowstone on pp. 77-111; Yosemite on pp. 190-201.

Holmes, Burton. Travelogues, vol. 6: The Yellowstone National Park; the Grand Canyon of the Arizona; Moki Land. 1908. 336 pp., illustrated. Yellowstone on pp. 5-112.

Johnson, Clifton. Highways and byways of the Rocky Mountains. 1910. 279 pp., illustrated.

Yellowstone on pp. 215-232.

KIPLING, RUDYARD. American Notes.

Issued in several editions; one chapter contains an account of a trip through the Yellowstone Park in 1889.

LANGFORD, N. P. Diary of the Washburn expedition to the Yellowstone and Firehole Rivers in the year 1870. [1905.] 122 pp., illustrated.

A good account of one of the early expeditions to the park.

Leclercq, Jules. La Terre des merveilles: Promenade au parc national de l'Amerique du Nord. 1886. 384 pp., illustrated.

Morris, Mrs. James Edwin. A Pacific coast vacation. 1901. 255 pp., illustrated. Yellowstone on pp. 236-255; Yosemite on pp. 191-209.

Muir, John. Our national parks. 1909. 382 pp., illustrated.

Yellowstone on pp. 37-75; Yosemite on pp. 76-267; Sequoia and General Grant on pp. 268-330.

Murphy, John. Rambles in northwestern America. 1879. 359 pp. Yellowstone on pp. 209-222.

Murphy, Thomas D. Three wonderlands of the American West. 1912. 180 pp. Yellowstone on pp. 1-59; Yosemite on pp. 59-109. Contains color reproductions of Moran's paintings.

PIERREPONT, EDWARD. Fifth Avenue to Alaska. 1884. 329 pp.

Yellowstone on pp. 237-311; Yosemite on pp. 58-68.

PORTER, T. C. Impressions of America. 1899. 241 pp., illustrated. Yellowstone on pp. 24-93; Yosemite on pp. 108-142.

PRICE, ROSE LAMBERT. A summer on the Rockies. 1898. 280 pp. Yellowstone on pp. 166-217.

RICHARDSON, JAMES. Wonders of the Yellowstone. 1873. 256 pp., illustrated.

Roberts, Edward. Shoshone and other Western wonders. 1888. 275 pp. Yellowstone on pp. 202-245.

RYDBERG, PER AXEL. Catalogue of the flora of Montana and the Yellowstone National Park. Memoirs of the New York Botanical Garden, vol. 1. 1900. 492

Senn, Nicholas. Our national recreation parks. 1904. 147 pp., illustrated.

Yellowstone on pp. 17-92; Yosemite on pp. 93-147. Contains notes on fauna and flora in addition to descriptive matter.

Sessions, Francis C. From Yellowstone Park to Alaska. 1890. 186 pp., illustrated.

Yellowstone on pp. 9-39.

Smith, F. Dumont. Book of a hundred bears. 1909. 233 pp., illustrated.

STANLEY, EDWIN J. Rambles in wonderland or up the Yellowstone and among the geysers and other curiosities of the National Park. 1878. 179 pp., illustrated.

RULES AND REGULATIONS.

REGULATIONS APPROVED MAY 27, 1911.

The following rules and regulations for the government of the Yellowstone National Park are hereby established and made public pursuant to authority conferred by section 2475, Revised Statutes, United States, and the act of Congress approved May 7, 1894:

1. It is forbidden to remove or injure the sediments or incrustations around the geysers, hot springs, or steam vents; or to deface the same by written inscriptions or otherwise; or to throw any substance into the springs or geyser vents; or to injure or disturb in any manner or to carry off any of the mineral deposits, specimens, natural curiosities, or wonders within the park.

2. It is forbidden to ride or drive upon any of the geyser or hotspring formations, or to turn stock loose to graze in their vicinity.

3. It is forbidden to cut or injure any growing timber. Camping parties will be allowed to use dead or fallen timber for fuel. When felling timber for fuel, or for building purposes when duly authorized, stumps must not be left higher than 12 inches from the ground.

4. Fires shall be lighted only when necessary, and completely extinguished when not longer required. The utmost care must be exercised at all times to avoid setting fire to the timber and grass.

5. Hunting or killing, wounding, or capturing any bird or wild animal, except dangerous animals when necessary to prevent them from destroying life or inflicting an injury, is prohibited. The outfits, including guns, traps, teams, horses, or means of transportation used by persons engaged in hunting, killing, trapping, ensnaring, or capturing such birds or wild animals, or in possession of game killed in the park under other circumstances than prescribed above, will be forfeited to the United States, except in cases where it is shown by satisfactory evidence that the outfit is not the property of the person or persons violating this regulation, and the actual owner thereof was not a party to such violation. Firearms will only be permitted in the park on written permission from the superintendent thereof. On arrival at the first station of the park, guard parties having firearms, traps, nets, seines, or explosives will turn them over to the sergeant in charge of the station, taking his receipt for them. They will be returned to the owners on leaving the park.

6. Fishing with nets, seines, traps, or by the use of drugs or explosives, or in any other way than with hook and line, is prohibited. Fishing for purposes of merchandise or profit is forbidden. Fishing may be prohibited by order of the superintendent of the park in any of the waters of the park, or limited therein to any specified season of the year, until otherwise ordered by the Secretary of the Interior.

7. No person will be permitted to reside permanently or to engage in any business in the park without permission, in writing, from the Department of the Interior. The superintendent may grant authority to competent persons to act as guides and revoke the same in his discretion, and no pack trains shall be allowed in the park unless in

charge of a duly registered guide.

8. The herding or grazing of loose stock or cattle of any kind within the park, as well as the driving of such stock or cattle over the roads of the park, is strictly forbidden, except in such cases where authority therefor is granted by the Secretary of the Interior. It is forbidden to cut hay within the boundaries of the park excepting for the use of the wild game and such other purposes as may be authorized by the Secretary of the Interior or the park superintendent.

9. No drinking saloon or barroom will be permitted within the

limits of the park.

10. Private notices or advertisements shall not be posted or displayed within the park, except such as may be necessary for the convenience and guidance of the public, upon buildings on leased ground.

11. Persons who render themselves obnoxious by disorderly conduct or bad behavior, or who violate any of the foregoing rules, will be summarily removed from the park, and will not be allowed to return without permission, in writing, from the Secretary of the Interior or the superintendent of the park.

12. It is forbidden to carve or write names or other things on any of the mileposts or signboards or any of the platforms, seats, railings,

steps, or any structures or any tree in the park.

Any person who violates any of the foregoing regulations will be deemed guilty of a misdemeanor, and be subjected to a fine as provided by the act of Congress approved May 7, 1894, "to protect the birds and animals in Yellowstone National Park and to punish crimes in said park, and for other purposes," of not more than \$1,000, or imprisonment not exceeding two years, or both, and be adjudged to pay all costs of the proceedings.

INSTRUCTIONS APPROVED FEBRUARY 28, 1912.

1. The feeding, interference with, or molestation of any bear or other wild animal in the park in any way by any person not author-

ized by the superintendent is prohibited.

2. Fires.—The greatest care must be exercised to insure the complete extinction of all camp fires before they are abandoned. All ashes and unburned bits of wood must, when practicable, be thoroughly soaked with water. Where fires are built in the neighborhood of decayed logs, particular attention must be directed to the extinguishment of fires in the decaying mold. Fire may be extinguished where water is not available by a complete covering of earth, well packed down.

Especial care should be taken that no lighted match, cigar, or cigarette

is dropped in any grass, twigs, leaves, or tree mold.

3. Camps.—No camp will be made at a less distance than 100 feet from any traveled road. Blankets, clothing, hammocks, or any other article liable to frighten teams must not be hung at a nearer distance than this to the road. The same rule applies to temporary stops, such as for feeding horses or for taking luncheon.

Many successive parties camp on the same sites during the season, and camp grounds must be thoroughly cleaned before they are abandoned. Tin cans must be flattened and, with bottles, cast-off clothing, and all other débris, must be deposited in a pit provided for the purpose. When camps are made in unusual places where pits may not be provided, all refuse must be hidden where it will not

be offensive to the eye.

4. Bicycles.—The greatest care must be exercised by persons using bicycles. On meeting a team the rider must stop and stand at side of road between the bicycle and the team—the outer side of the road if on a grade or curve. In passing a team from the rear the rider should learn from the driver if his horses are liable to frighten, in which case the driver should halt and the rider dismount and walk past, keeping between the bicycle and the team.

5. Fishing.—All fish less than 8 inches in length should at once be returned to the water with the least damage possible to the fish. Fish that are to be retained must be at once killed by a blow on the back of the head or by thrusting a knife or other sharp instrument into the head. No person shall catch more than 20 fish

in one day.

6. Dogs.—Dogs are not permitted in the park.

7. Grazing animals.—Only animals actually in use for purposes of transportation through the park may be grazed in the vicinity of the camps. They will not be allowed to run over any of the formations, nor near to any of the geysers or hot springs; neither will they be allowed to run loose within 100 feet of the roads.

8. Formations.—No person will be allowed on any formations after

sunset without a guide.

9. Hotels.—All tourists traveling with the authorized transportation companies, whether holding hotel coupons or paying cash, are allowed the privilege of extending their visit in the park at any of the hotels without extra charge for transportation. However, 24 hours' notice must be given to the managers of the transportation companies for reservations in other coaches.

10. Driving on roads of park.—(a) Drivers of vehicles of any description, when overtaken by other vehicles traveling at a faster rate of speed, shall, if requested to do so, turn out and give the

latter free and unobstructed passageway.

(b) Vehicles in passing each other must give full half of the roadway. This applies to freight outfits as well as any other.

(c) Racing on the park roads is strictly prohibited.

(d) Freight, baggage, and heavy camping outfits on sidehill grades throughout the park will take the outer side of the road while being passed by passenger vehicles in either direction.

(e) In making a temporary halt on the road for any purpose all teams and vehicles will be pulled to one side of the road far enough

to leave a free and unobstructed passageway. No stops on the road

for luncheon or for camp purposes will be permitted.

(f) In rounding sharp curves on the roads, like that in the Golden Gate Canyon, where the view ahead is completely cut off, drivers will slow down to a walk. Traveling at night is prohibited except in cases of emergency.

(g) Transportation companies, freight and wood contractors, and all other parties and persons using the park roads will be held liable

for violation of these instructions.

(h) Pack trains will be required to follow trails whenever practicable. During the tourist season, when traveling on the road and vehicles carrying passengers are met, or such vehicles overtake pack trains, the pack train must move off the road not less than 100 feet and await the passage of the vehicle.

(i) During the tourist season pack animals, loose animals, or saddle horses, except those ridden by duly authorized persons on patrol or other public duties, are not permitted on the coach road between

Gardiner and Fort Yellowstone.

(k) Riding at a gait faster than a slow trot on the plateaus near the hotels where tourists and other persons are accustomed to walk

is prohibited.

(1) Mounted men, on meeting a passenger team on a grade, will halt on the outer side until the team passes. When approaching a passenger team from the rear, warning must be given, and no faster gait will be taken than is necessary to make the passage, and if on a grade the passage will be on the outer side. A passenger team must not be passed on a dangerous grade.

(m) All wagons used in hauling heavy freight over the park roads must have tires not less than 4 inches in width. This order does not apply to express freight hauled in light spring wagons with

single teams.

11. Liquors.—All beer, wine, liquors, whisky, etc., brought into the Yellowstone National Park via Gardiner to be carried over the roads through the reservation to Cooke City, must be in sealed containers or packages, which must not be broken in transit.

12. Miscellaneous.—Automobiles are not permitted in the park.

Persons are not allowed to bathe near any of the regularly traveled

roads in the park without suitable bathing clothes.

13. Penalty.—The penalty for disregard of these instructions is

summary ejection from the park.

Notices.—(a) Boat trip on Yellowstone Lake: The excursion boat on Yellowstone Lake plying between the Lake Hotel and the Thumb lunch station at the West Bay is not a part of the regular transportation of the park, and an extra charge is made by the boat company for this service.

(b) Side trips in park: Information relative to side trips in the park and the cost thereof can be procured from those authorized to transport passengers through or to provide for camping parties in

the park, also at the office of the superintendent.

(c) All complaints by tourists and others as to service, etc., rendered in the reservation should be made to the superintendent in writing.
