

Yellowstone National Park

CAMPGROUND LISTING

Commencing with the 1969 Season a fee will be charged in all major Park campgrounds. Campsites are available on a first-come, first-served basis. Competition for a site is particularly keen during the months of July and August, and most campgrounds are full by mid-day or shortly thereafter. Large, organized groups may arrange for special group campground space by writing the Superintendent, Yellowstone National Park, Wyoming 83020.
