

Interesting Facts Concerning the Large Inlaid Map of the United States

Designed and assembled by Robert C. Reamer, architect,
Seattle, Washington, and W. H. Fey.

Size 17 feet 10 inches by 10 feet 4 inches.

Contains fifteen types of wood from nine countries.

Composed of 2,544 pieces of wood. Shipped in six sections
from Seattle to Yellowstone Park, where it was assembled on
wall of Mammoth Springs Hotel Lounge.

Five months in the making—January 2 to June 1, 1937.
