Attractive New Canyon Village!

Completed last year at a cost of almost ten million dollars, this entirely new development offers visitors every comfort and convenience. The massive main lodge is of contemporary-rustic design and contains a lounge, dining room, coffee shop, cafeteria, cocktail lounge and picture, gift, barber and beauty shops. Nestled among the towering pines are 500 modern motel-type units, all with hot water, heat and showers. Also in the area are a large general mercantile store, service station, camp ground and government buildings. The village is only about a mile from the inspiring beauty of Yellowstone's Grand Canyon.

Yellowstone National Park-For Motorists

HEREVER you've been, whatever you've seen, you're sure to agree nothing can compare with the wonders of fabulous Yellowstone

You'll see many changes this year when you drive into the nation's oldest and largest natural playground Private enterprise and the federal government have teamed up in a ten-year expansion program, designed to increase facilities to take care of the terrific influx

So far, "MISSION 66" — that's what the program is called — has resulted in the completion of the modern, new ten-million-dollar Canyon Village, new campgrounds, trailer areas, roads and other improvements creating additional convenience and comfort for

Bring your familly and plan to spend ample time in the Park. It's big—3472 square miles—and you can't see it all in a day or two. There's so much to see and

do for every member of the family, you may be disappointed if you haven't allowed sufficient time. Above all, have a wonderful, relaxed vacation while you're here in this magnificent wonderland!

What's the best way to reach Yellowstone? Your automobile club, your service station man, or your travel bureau can supply you with a dependable road map right from your home city. Many hotels and

chambers of commerce also distribute maps for tourists. State highway departments will coach you, if you wish. But it is hard to go wrong on the modern system of hard-surfaced highways leading to all important cities and tourist attractions in the nation. The roads to Yellowstone are among the best—easy to find, easy to drive.
